# FREEDOM HAS TO BE EARNED

2/8/07 from HATONN-jonur

Greetings, Jonur. I would like to have Dr. Tesla continue his lessons in that we move into the feasibility for Star Wars and Star Trek technology and its secret use today to control and modify your weather and the explanation of the craft seen hanging low WITHIN the atmosphere in the nighttime sky. However, I want to first disclose the speeding up of your adversary's Global Plan 2000 antics.

### TODAY'S WATCH

#### A NEW DATE FOR NUCLEAR WAR I

The Bolsheviks that want to take you to war with Russia have set a new date for their "PROJECT Z" War Plan. The plan consists of the United States and Russia destroying themselves in all out nuclear war, which would draw in the other nations with nuclear weapons—while the Bolsheviks wait it out in secret underground facilities in the Southern Hemisphere—New Zealand, Australia, places in South America, etc.—where they hope to escape the radiation and the inferno north of the Equator. Their scientists

concluded that, since there is very little intermixing of the air currents between the northern and southern hemispheres, a nuclear war is winnable.

The beginning of the countdown started with the Israelis' sudden seizure of the Temple Mount in Jerusalem. This is the holiest spot on the planet for the Muslims AND the Jews. The Jews believe that King Solomon's temples were built on that site. That is not in fact where it was located—I'm sorry. However, it will be claimed that it was, so that a Biblical confrontation can be set into motion involving the Muslim world. All the Arab nations will unify against Israel's digging next to the wall of the Temple Mount. No surer way to set the stage to trigger an "Armageddon" exists. And little do the masses know, they are playing right into their evil little claws.

The eight month time table the Israelis have set takes you to SEPTEMBER 2007! This coincides with their projected start of nuclear war. This is why Nancy Pelosi wants use of that presidential 757 jet aircraft. She wants to make sure she and hers get their fannies to Australia before the missiles fly. The Russians are

a terrible adversary to the Bolshevik Jews, however, and will work around the clock to prevent such a catastrophe from occurring. This is where Jay Rockefeller and his team can work best. By combining the Russian Special Operations Commandos and their Space Technology with that of the Rockefeller Intelligence Networks, they can derail portions of the "PROJECT Z" War Plan.

The main keys to the plan are 1) Secret weapons stockpiles in various places around the world. These they will use after the superpowers in the Northern Hemisphere have wiped themselves out. 2) A media build-up leading to a *feasible* excuse for a nuclear confrontation with the Kremlin. 3) A means to deal with the many thousands of Russia's version of the Space Shuttle. These Cosmospheres are nothing like the outdated rocket thrust systems your Shuttle uses. Russia's Orbiters are—for lack of better words—FULL FLEDGED UFOs. These spheres are not the disc-shaped variety; however, their capabilities are unbelievable to the masses. The Kremlin has always been much better than your military at keeping secrets!

And 4) Getting some kind of satellite or surveillance craft near enough to Russia's border so they can see if certain crucial targets are destroyed. America has no more spy satellites. Russia destroyed them all thirty years ago—they control space now.

In the next few days we shall bring you up to speed on what these things mean from technology that has long existed within your capability, so as the Bolshevik Zionists ready these phases to their "PROJECT Z" War Plan, you can see it coming and avert it. Just by the mere fact of telling you now, the evil controllers have to make major adjustments in their scheme. However, they have a dozen back-up plans for every back-up plan! The Zionists are very good chess players, but the Russians are better.

**DEMOCRATS NOW SAY**  
**"THEIR HANDS ARE TIED"**

Now that Pelosi and the Democrats are "in", they say "their hands are tied" as to U.S. troop increases in Iraq. Every single one of them should lose their jobs! After PROMISING the American people that they would put a stop to it if you gave them the majority, Nancy turns right around and claims impotency?!? Like I have told you before, over and over and over: **THERE IS NO DIFFERENCE BETWEEN DEMOCRATS AND REPUBLICANS! BOTH HAVE BEEN EITHER BOUGHT OFF BY THE ISRAELI LOBBY OR ARE BEING BLACKMAILED BY THE MOSSAD OR KGB! You have no form of government leadership whatsoever.** The criminal element of human society has finally succeeded in ruling you goodly people of the world. Nowhere on your planet is there a Godly man or woman in charge of a nation—NOWHERE!

God has always told you that in the End Days *evil would totally rule your world*—and you are there. How long will you wait to reclaim that which is God's? Every day the lies and heinous actions perpetrated by your government upon this blessed Mother Earth—The Grandmother Spirit, as your Native American brothers call her—grow worse in intensity and frequency. No truth escapes their lips, and still you say nothing. The few who are responding to the call to serve need every one of you to stand up in responsibility. Freedom has to be earned, dear ones; in diversity you can do nothing. You are going to find that there are more ones on your side than you would imagine. However, you will not know that unless you yourself get moving.

Write letters, make phone calls, become an active participant in the rebuilding of a nation. That is what citizens do who want to hang on to their liberties.

**"ONE NATION UNDER GOD"**

On Sunday, February 27—*SAVIOR'S DAY*—the newly built Henry FORD FIELD Stadium will be the location of a gathering of Americans determined to save their country AND THEIR RACE. Minister Louis Farrakhan will speak to you about the coming destruction of your nation and world—IF—mankind does not unite as a Godly Brotherhood against the evil Zionist plague let loose on your planet. Detroit, Michigan, will once again become the focus of hope and change in turning around your plight. A united

Black race spells the end of the Jewish Khazarian rule of the inner cities and the influence of music and Black films "brainwashing" the masses—OF ALL RACES.

For once freed from the trap, a people will seek God, and once that happens, even Satan's best troops know that they cannot prevail. God does win in the end: that too is in your Holy Book. So it must come to pass that a sizeable multitude will join the ranks of Aton's Hosts as that final trumpet sounds. And always, chelas, it will be those of your aboriginal races—who are considered by the conquerors as "pagans" and the least among men. But it was God who said that "those who were the least among you would be first, and those who are first would be last." Well, the Khazars have elevated themselves above ALL OTHER PEOPLES, and they plot to murder six and a half BILLION people—it is pretty well known where they stand on the totem pole in God's eyes. Let us take a break, Jonur. Have refreshment and regain thy balance as the fingers get used to the new pressures. They will adjust. Hatonn moving to stand by. Out.

**2/15/07 from HATONN-jonur**

Greetings, Jonur. May we walk in Truth and Light in this wondrous day given by Creator for our experience and lessons. Earth man is in great need of guidance in this time of Kali (Chaos), and it is of you ones of the Ground Crew that will be the lamps that shall lead the way. I come in service to Holy God Aton, The ONE Source of The ONE Light. Aho!

Let us just dive right off into the most powerful weapon mankind has at his disposal: The Pen. It has taken several days for my scribe to come into the importance of *having that which you need* to do your service unto God. You will find that it is most minimal; indeed, however, you will also find that once you pass over that obstacle things begin to come to you that are exactly what you asked for. And never is it in the form that you thought! Having what you perceive to be the "right tools" to do the job is certainly important, for it allows you to work long hours in relative comfort (though in practice that is rarely the case). However, knowing the difference in what is "needed" for the job, versus what you "want", is vastly different. Normally this discernment comes from experience—you have to *see for yourself* what "works" and what doesn't. And usually you find that it was the very first option presented to you, but instead of trusting your own inner guidance, you second-guess yourself and end up coming back later to that first choice. And of course, THEN it becomes knowing and wisdom. Yet several lost days end up becoming THE lesson instead of productive output of thy task.

Which is valuable in its own right, however, do you not see? When you learn to trust that inner guidance of The God-self that dwells within you, you will increase your production output manyfold. The subject that must be dealt with straightaway for today's lesson is the attack on your right to free speech AND FREEDOM OF THE PRESS—A NEWSPAPER OF THE PEOPLE.

**ALL OUT WAR**  
**THE FIRST AMENDMENT UNDER ATTACK**

The pens of patriots and those of the bringers of God's truth are always under the assault of your "adversary" ("opposition to"—in this case, opposed to God and man) to silence The WORD from reaching your ears. At all costs, they seek to keep you ignorant of what is being done to you. Every ploy and pretense is utilized to attack your Constitution of the United States and nullify that First Amendment. To make it illegal to redress grievances (peacefully) or to inform your fellow citizen of a pending INVASION ON AMERICAN SOIL is the primary thrust of the Zionist Khazarian manipulators in Washington. You—as a united people—must not have a voice that can speak against them, for they know it will be their ultimate undoing.

The CIA, "Scooter" Libby trial, over who told whom that Valerie Plame was a Central Intelligence operative, is being used as an all-out affront against Journalists, reporters, individual citizens and **NEWSPAPERS!** However, the intent is to stop **THIS** newspaper for it is the only one that gives you TRUTH. All others have been bought off, suppressed or totally infiltrated by the Jewish Khazarian evil controllers. They have succeeded in one-hundred-percent control of what enters the minds of the people. Only that which they want you to hear comes into your ears. And you are lulled into a sleep-like stupor that allows them to tell you ANYTHING and you believe it! The woman that spent several months in jail for not revealing her sources is being made the example so no one else dares defy the elite controllers without paying the consequences.

And by making it such a big show trial, the adversary insures that the rest of you regular "little" people do not get any ideas. The elite do not care about the CIA (renamed: The George Bush Center for Intelligence): it is a nothing agency that is now only in charge of the world's illegal drug market. At one time, before the creation of the National Security Agency, it was THE UFO debunking and investigation arm of the Club of Rome. Its involvement out of the Office of Strategic Services (OSS) and the implementation of the Reinhard Gehlen German spy apparatus in the U.S. was very efficient. However, it is now watered down with the other intelligence "cults" of the Global Plan 2000 and is mainly KGB (Soviet), Israeli Mossad and mafia in its interests. Nothing remotely resembling public or American patriotic actions comes from the Langley, Virginia, "Farm".

One thing is for certain, however, and that is the combined assault against free speech. The Official Secrets Act in Great Britain is the law that can have a person thrown in prison (or a mental institution) and the key tossed. **And make no mistake about it, Chelas, your so-called insane asylums and hospitals where the ones who are pronounced "crazy", "delusional" or "Schizophrenic" are taken ARE UTILIZED AND RUN BY THE ZIONIST JEWS TO LOCK AWAY THEIR ENEMIES.** The entire operation is a Bolshevik system for control of American dissidents and is a secret branch of U.S. military intelligence. Rent the film starring Mel

**Gibson called “Conspiracy Theory”; it is a very graphic—AND REAL—depiction of the all-powerful control the Mossad/KGB/CIA have over ordinary civilians. They act with impunity against whomever they want—even public officials that get in their way. “Safe House”, with Patrick Stewart is another film about the same subject. At the end there is a written quote by Sir Henry Kissinger that reads: “Even the paranoid have enemies.”** This is very serious. Without ever having a trial or being charged with anything, you can be incarcerated PERMANENTLY. Facilities are quietly being maintained all over the U.S. for political “troublemakers”.

#### SPY AGENCIES USED AGAINST TRUTH BRINGERS

The New World Order Global Government uses its intelligence agencies to police and carry out the mandates of the Club of Rome. The entire focus of such as British Intelligence (Military Intelligence Division Six—MI-6) is to use whatever method—covert or otherwise—to control the masses of your planet’s population. They create terrorist organizations such as the Ku Klux Klan (KKK), the Jewish hate crime center called The Anti-defamation League of B’nai B’rith and “Think Tanks” such as the Brookings Institution. Opinion Polls, which shape the way Americans think about each other, are products of the British “social scientists” at London’s Tavistock Institute For Human Relations—A SOCIALIST ORGANIZATION. Yet it tells you how to behave and what political parties to vote for.

However, the primary aim of the intelligence community is to remove all power from the people through the use of censorship. Remember the image of the Soviet Union, behind the Iron Curtain, where the people in the street spoke little or in hushed tones, especially if they passed in front of the headquarters of any of their Secret Police or KGB or GRU buildings? Hard to imagine in America? Well, you are already there. **The Hate Crime Bills passing through your legislature will make it a criminal offense to use words like “fag” or “Jew” unless you are a homosexual or a Zionist of Khazarian lineage.**

Everything that the Zionists do not want you to say will be labeled a “hate crime”, and it will be backed up with MANDATORY PRISON SENTENCES! And you do not even have to be heard saying ANYTHING; **if you are accused of uttering the words they make against the law, you will be picked up and thrown in jail. This includes kicking down your door in the middle of the night!** The Plan for the One World Government is not very pretty, friends, and the only way you even know about it is because of what we of the Hosts bring, along with corroboration from ones formerly on the “inside” of these spy agencies who are blowing the whistle. For they have seen too much or have participated to the point of realizing that it IS NOT for God and nation that these actions have been taken.

Most, when they are discovered (no one leaves these clandestine services—it is like joining the mafia or the Office of Naval Intelligence [ONI] whose sayings are

interchangeable: “Once ONI, always ONI”), are simply “dealt with” on the spot. Or they are ridiculed or have their characters destroyed—then are publicly “suicided”. “Witnesses” are found to suggest that, “Yes, that one *could* have killed himself.” And so the stories will go in the media, and the public will accept the murder as “self-inflicted”. Even if evidence (like the two bullets in Vince Foster, as well as the shotgun blast and the pistol shot in Admiral Borda—among other impossible circumstances at those two “suicidings”, and Admiral Forrestal’s suiciding because he tried to tell the public about UFOs and other things he felt Americans should be aware of that your government was keeping secret—the list is long, indeed) is to the contrary, the public will be persuaded to believe it.

#### TIM RUSSERT IS THE SOURCE

The moderator of “Meet the Press”, chief Washington correspondent AND ISRAELI MOSSAD POINT MAN, Tim Russert, is the one who leaked the information about Valerie Plame being with the CIA’s Weapons of Mass Destruction team. This is how her husband, a U.S. Ambassador, was able to go to Niger and find out that the evidence linking Saddam Hussein to attempts to buy materials there was a fabrication. This blew a hole in the Bush (Zionist) excuse for going into Iraq in the first place—AND SHOWED THE MASSIVE MANEUVERING TO COVER IT UP AND PROCEED WITH THE WAR PLANS, EVEN THOUGH TOP GENERALS AND ADVISORS (SUCH AS COLIN POWELL AND GEORGE TENENT AND LOTS OF OTHERS) FOUND THAT THERE WAS NO BASIS FOR WAR.

Russert could not have appeared more guilty on the witness stand, and since it is his job to keep the newspapers in line with the Israeli Lobby and Zionist agenda, he really was scared for his life. Because if you become a problem for the big boys, they have no qualms about sacrificing one of their own to further the cause. So Russert drew on all his Mossad training and had his crutches handy on camera (for sympathy) and a ready quote from a grade school teacher about telling truth: “so you only have one story to tell.”

Jonur, break this document here in that, perhaps, it might make the deadline. Have a stretch and a bit of refreshment, and then let us proceed; we have much to catch up with. Now that you are fully supplied, all of your office needs are but an arm’s reach away.

Salu, Salu, Salu. Hatonn moving to stand-by.  
**2/16/07 from HATONN-jonur**

Hatonn present in the Light of Holy God. The assault on your First Amendment is of paramount importance! Do not sleep on this one, precious friends, for your very lives DEPEND ON IT.

#### SUPREME COURT FEARS CAMERAS

Members of the highest court in your land have emphatically stated that they “do not want cameras in THEIR chamber.” This is not “their” court to begin with, however; they are using it as their own personal monarchy over the people who have entrusted them with that office. And chelas, lifetime appointments are

not how a Republic of The People works. The Queen of England and her royal brood have such lifetime arrangements for power-sharing amongst their own family. This is no different than organized crime *families*—in fact, the Italian mafia borrowed this concept from the English monarchy. This is to ensure that the criminals always stay in a position to “pardon” each other should their various schemes come to light before the public. This is why the U.S. Supreme Court is so worried: with cameras allowed to tape and record the proceedings, the American people will all too quickly realize that the “America” they thought they had—“...with Liberty and Justice For All”—no longer exists.

The adversary NEEDS secrecy and *closed door politics* in order to function. It also must have total control of all PRESS (NEWSPAPERS) because if just one independent newspaper is allowed to operate, it will eventually bring down the worst enemies of the people. They are that powerful. Why else would it be **AMENDMENT NUMBER ONE** in your Republic’s Constitution? Freedom of The Press is the only thing that represents the undoing of the Luciferian Rule of any planet. Well, your adversary—to God and man—made a terrible, terrible error (sin) in judgment; even the Big Boy himself was taken aback by the actions of his fallen followers. **By Interstellar and Intergalactic Treaty, there are ones that are not to be touched or the balance of “power” shifts against the perpetrator’s “team”.**

The overzealous, or rogue, faction of your highest participants left behind on your planet in service to evil thought they could move against My People and escape consequences. In their sick reasoning they thought that, because the hour seemed late as to the final sequence of events upon Shan (Earth), a breach of the Treaty would go unrecognized—since the adversary ruled in total anyway. They could not have been more wrong. The attack on my Beloved Sparrow, who fought mightily against the worst oppressors of mine people, has angered God in the same manner as the crucifixion of Gabriel’s son angered him. What the Khazarian people always fail to realize in their blind, unreasoning thirst for lust and power is that they too fall into their own trap that is set for everyone else. The problem for them, however, is that they have no Lighted God of The Creation to extend a hand to lift them up and out of the pit.

Does God express anger? You’d better believe it! Though many do not perceive it as such, **God very, very fervently despises evil.** The breaking of the Treaty is not something the adversary is going to be able to survive, for with the removal of my scribe, who never once failed me in our mission, they have allowed for God to take off His restraints, if you will. The Power of The Creation is in the “unseen world”, chelas, and it is from there that the physical manifestation is controlled and centered. This goes beyond the comprehension of your adversary, for he is a physically-oriented being. Even though he can play tricks with things that are invisible to your eyes (that still belong to the physical realm), he has no understanding beyond and into the High Heavens you ones aspire to. In other words, Satan does not exist

outside of this lower manifested illusion. So neither he nor his fallen ones will ever have any power over God's people—once they realize who they are.

And you come into KNOWING by the act of regaining your power. Your Newspaper of TRUTH, labeled CONTACT: THE PHOENIX EDUCATOR, and your Court of Justice is where it starts. This is why one of the chief justices vehemently stated that cameras would be allowed in their chamber “over my dead body!” So be it. With such an attitude, he will see to it that his proclamation will come to pass.

AURORAL ROCKET LAUNCH  
DELAYED 24 HOURS

The Bolshevik “Jews” (of Khazarian lineage) who control your U.S. Space Programs and NASA are attempting to unleash a carnage unto your world of Biblical proportions. With the launch of a rocket from Cape Canaveral carrying—FIVE SATELLITES TO “STUDY” THE EFFECTS OF THE NORTHERN LIGHTS (AURORA BOREALIS)—the Bolsheviks plan to either trigger their planned nuclear war or ignite the Van Allen Radiation Belt that surrounds your planet. They are prepared for both. The Russians have caused weather patterns to create winds that delayed the launch; however, the payload is so incredibly dangerous that even the Cosmospheres have to be careful how the situation is handled.

Remember, if that radiation belt is ignited, the effects from the plasma burn-off will be totally damaging to the eyes. This will last three to four days—stay inside and keep the windows covered! You do not have your emergency shelters and fallout-protected Domed Dwellings yet for your backyard “root cellars”, so utilize what you have as best you can. The intent in the war scenario would be to hit Russia with a “one-two punch”—first attack their strategic space complexes, followed immediately by an American nuclear first strike. And as I have stated prior to now, all that is needed is for a Bolshevik Sensor Satellite to be near enough over Russia to confirm the destruction of those key sites.

This is what heads your government and world, precious ones, and as you can see, there is a total absence of Godly-Goodly reasoning. That is because you are ruled by an Army of NON-HUMAN SYNTHETIC REPLICAS OF HUMAN BEINGS. Those entities walking around posing as political representatives of you-the-people, under the façade of bringing peace to the world, are actually the “puppets” (LITERALLY!) of your bitter enemy. The Khazars have been plotting the demise of Christianity and Christ-ness ever since the beginning, friends, and they have never lost sight of their goal of a Jewish Utopia where every Jew has two-thousand Goyim slaves! Even White slavers only had a handful as “help” on the farms. The Khazars always go too far in their Global Conquest of material desires. **IT IS their Achilles heel and, just as in generations past, it becomes their ultimate undoing and downfall.**

Jonur, I must break here to attend urgent matters concerning the rocket launch. Your planet has never been closer than this day to self-destruction. May God's ones KNOW that you will simply react accordingly in the event of an Evacuation.

Commander Ashtar and the Ashtar Command Computer System has all SOULED beings “locked in” for instant identification and location, and all children will be taken into security. As for other loved ones and family relations, depending on the type of emergency that is triggered, they will be asked if they want to “stay” or “come aboard”. No more and no less, for God only may “offer”; force or coercion is not of Aton of Holy Light.

Hatonn to clear frequency, please. Salu and Amen.

**2/17/07 from HATON-jonur**

Greetings, Jonur. There is a most indispensable subject that needs urgent attention from all ones, and that is “SURVIVAL” PREPARATION. In addition to water and supplies, you must have habitable FALLOUT PROOF Dwellings. Above (with the proper additives to the special Shot-Crete/cement to shield against radioactivity) and below ground (a few feet of earth means the difference between life and death to protect against those contaminants) dwellings and shelters are going to have to occupy your daily thinking and planning, right up there with getting gas for your vehicles and dressing in the morning. It has to become a living—day-to-day—habit that you perform automatically. You are not going to have time to think about what you should have done or what you could do when the emergency is upon you.

WINTER STORM IN THE MID-WEST  
THIS IS YOUR TRIAL RUN

How many people were caught unprepared in the areas of your nation that were hit by the recent snowstorms? When the power went out because of ice (or other factors) and the ability to move around was halted, how many were prepared for several days of survival at home? This is the trial run, chelas; it is these LITTLE inconveniences that will get you ready for that which your adversary has planned. Just as California and other places along that Ring Of Fire in the Pacific have to prepare for earthquakes and power outages and lack of services because of damages to infrastructure, you ones from Colorado to New York must prepare likewise.

The extra clothing and propane heating and extra medical supplies (and special stores of REQUIRED medication) should be utilized from your own “survival store” within your home or storeroom. Get the extra stuff in the cupboard first, then sit down and dole out your prescribed portions. This too can be your corporate business as “Care Giver”. You do not need a medical (**Khazarian “Jewish” for control purposes**) License to have a few extra doses and extra dressings that an on-call nurse or visiting caregiver would bring with them. YOU can assume that role as your corporate responsibility to yourself as the patient, and your wife (or husband) who normally “assists” with the treatment now becomes that “nurse”, if you will. The corporate job is now a needed necessity—AND PAYING OCCUPATION.

This is what you are going to have to learn to do, precious friends: **TAKE CARE OF YOURSELVES WHILE RUNNING YOUR CORPORATE BUSINESSES AT THE SAME TIME.** This is what the Khazarian Jews do in secret, and that is how they

have gained control of an entire nation. It is only a handful of your population, yet they control your medical profession, your legal profession, the banking world, the television, radio and motion picture business—and the most influential (and disturbing of all), American policymaking. Do you not see that everything your adversary tells you not to do, they do behind your back?

They have set the rules (as lawyers and now judges) AGAINST Christians and FOR Israelis. Do you know that there is a public law that is “in the books” that outlaws Christianity? It is true. America has been given a religion of evil drawn up by Satan himself, and you know not that it exists. Yet you tout it every day, thinking it is a Godly, spiritual religion of Christ teachings. It not only is not of “Jesus” teachings, it is the OPPOSITE OF THAT WHICH THE MASTER TEACHER BROUGHT. **Judeo-Christian is the mandatory religion the Khazar Jews forced on your nation, and it is the merging of two things that do not mix. Just as oil and water will never mix together because they are opposite in composition, so too are Christianity and Judaism. The Jews murdered Christ, remember? And now you allow those same hedonistic, PAGAN (worshippers of many gods) Pharisees to usurp the very church of the Christ-ian faith!?!**

This is what you are up against, the prince of deception, and yet you must also survive in a physical HUMAN way while you regain the spiritual (not religious, for it is only a Khazarian Pharisee DOGMA to keep you enslaved and to pull you further from God of Light) truth that was taken from you. The physical YOU needs shelter from the elements and nourishing food and clean water. Your bitter enemy plans to deprive you of these basic necessities while they pull you down because you will be easier to manage. If you are sick, cold, tired, BROKE (of money AND BROKEN OF SPIRIT) and hungry, do you not see that the *few can easily conquer the many*? Your Social Security, the Health Care Industry and the Education System HAVE BEEN PURPOSELY BANKRUPTED! It is by design that your auto industry has failed and your airlines have all but died and are now on government “life support”. You are at war with the Zionist Beast of Biblical Revelation, and it is fully capable of devouring an entire nation. Look around you: it has already eaten all of the other countries.

DEMOCRATS HAVE BEEN  
LYING ALL ALONG

The stories are now coming out that pulling the troops out now will endanger them further. They are dying every hour, so how can they keep a straight face and tell you such drivel? They will even wheel out a senator or two who was set up as a prisoner of war (for political purposes long ago—your adversary plans decades ahead, chelas, yet they have programmed YOU to be a nation of instant gratification—if you cannot have it in five minutes or less, you don't want it) in Vietnam and have him tell you that it was because of “pulled funding” that they suffered as P.O.W.s. That is a lie. The Prisoners Of War were purposely left on the tarmac because they were your Special Forces men who knew of the drugs and other

secret dealings of your government.

It had nothing to do with funding—it had EVERYTHING to do with keeping the American people back home from finding out about General Khun Sa's Golden Triangle Drug Trade and their TREATY with CIA Chief, Sir George Herbert Walker Bush! The war in Vietnam (just like the ones in Afghanistan, Iraq and secretly in Iran) had NOTHING to do with what the public was told. The two reasons you as Americans were over there were first, the business of the military-run importation of cocaine and heroin, etc., and second, the Pol Pot-type mass population control techniques that were to be brought back to the U.S. The population control through drugs that was learned in Vietnam by your troops is what you see perfected today with those once-a-day pills and vaccines. The men who were left behind in Vietnam (**many are in that country to this day, all but forgotten, and yet, your senators and congressmen KNOW they are still there!**) were going to return home and tell you what they were doing over there. Especially how your government utilized them as guinea pigs in electronic, and DRUG INDUCED, experiments in population control—literally sacrificing the lives of these men in Nazi-style tests of human beings.

The motion picture “Jacob’s Ladder” is the most accurate depiction of what really went on in Vietnam to date. When you see battle-hardened men openly weeping at the Memorial Wall in Washington, D.C., over lost comrades and what they experienced in South East Asia—THIS IS WHY THEY ARE CRYING UNCONTROLLABLY! They cannot believe that their own government would do such a horrendous thing to their own people. But, yes, they can! They are doing it yet again. This time, however, it will be far worse because they KNOW the Zionists are planning on detonating a nuclear or hydrogen bomb over those young men—the best of your nation. The Republicans are known by the people to be willing to sacrifice your sons in war (YOUR sons, not theirs)—but the Democrats are *supposed to be on the side of the people*. So the judgment will be most heavy on these ones of the donkey’s party, for their deception upon the people is greater.

As you can plainly see, the march to war did not skip a beat or make one misstep. Those original numbers of forty thousand are flowing in as REPLACEMENTS right on schedule. Only now are Nancy Pelosi’s Democrats telling you the *truth*: Bush’s (the Zionists’) troop buildup and “surges” will proceed as originally ORDERED. The complete waste of time with those “Non-binding Resolutions” should have brought a total housecleaning of both Houses of Congress. The show-and-tell of “look how hard we tried” was not a worthy performance of even a grade-school dress-up play. They told you they had no power (yet, not at first—you were led to believe it had the power of LAW LIKE CONGRESS AND THE PEOPLE ARE SUPPOSED TO AS SET UP BY YOUR FOUNDING FATHERS) to stop the President’s troop surge, and STILL they go through all the motions and dramatic, emphatic proclamations of “opposing the plan”!!

For whose benefit is this orchestration carried out?

Not theirs—they KNEW “it had no teeth.” Not Bush. Cheney smugly sat there in his armchair and said, **it does not matter what the democrats or the AMERICAN PEOPLE say, it won’t stop the plan.** And you think you are a free society?!?!? What kind of government do you have that does not listen to the people or the Congress? A very dangerous one, my friends.

IT IS NOT TOO LATE  
BRING THEM HOME TODAY!

The survival of your nation—AND THE SURVIVAL OF THOSE OTHER NATIONS AROUND YOUR WORLD WHO ARE DEPENDING ON YOU TO AWAKEN IN TIME—rests with getting your young men back to their home in America where they belong. The Zionists will come up with excuse after excuse as to why keeping them deployed is to your advantage. What about the advantage of the Iraqi people? What about the people of Afghanistan? **Do they not also have SOVEREIGNTY in their own lands?** The Jews would have you believe that they are a people of little intelligence and not enough sense to run their own nations without your benevolent guidance.

Look at what you have been led into, America: Hundreds of billions are going to be spent that you do not have! Civil war in Iraq that did not exist until you and the British got there. **(The Israeli Mossad has done a fine job with secret missile strikes on open market places, busy intersections, lines outside of police stations, buses, cars AND MANY U.S. VEHICLES, CAUSING GREAT AMERICAN CASUALTIES. Can you Christians and followers of God not see that Satan’s children are mowing you down by the hundreds? Dear ones, the Khazarian Jews laugh at America as you provide them with so many sacrificial offerings in Blood and Ashes. Awaken, precious friends, awaken.)** Condoleezza Rice is going back and forth to the Middle East, Europe AND ISRAEL, prostituting herself (LITERALLY) and the United States to the evil Anti-God/Anti-Christ, as the very life blood is drained from your many wounds.

And as with the Khazarian Jewish Blood Libel against Christian children, America’s many open wounds are purposeful and ritualistic in intent. Do not forget what Satanism and witchcraft are, dear ones: **THEY ARE THE OFFERING OF PAIN, SUFFERING, BLOOD AND DEATH TO A DEITY WHO DEMANDS HUMAN AND ANIMAL SLAUGHTER. The ritual of George Bush’s (his father and grandfather Prescott, too) Yale Undergraduate “club”, the Order of Skull and Bones Society, is to (among other things) bring a human cadaver into the crypt-like headquarters, “dress it up like Jesus Christ”, gather around it in a circle, and then take turns stabbing it while uttering Satanic verses.** The Italian mafia has a phrase for a “made man”—one who has killed for “The family”. The phrase is to “make your bones,” and it comes directly from this Skull and Bones “mafia”. Keep in mind that the CIA thugs and hitmen are one and the same as the mafia “Button Men” (soldiers or killers), and it is the leaders of this criminal cartel who are sending your men into harm’s way.

They care absolutely NOTHING for the life of the fine man who truly believes he is giving his life for his country. To the elite conspirators, the American soldier is an expendable pawn to be utilized to gain an end—no more and no less. Patriotism and the “American family” mean even less to your adversary. For they see the world as a global commodity to be divided up and that recognizes no national borders nor any sovereignty among its citizenry. Women—the fruit and continuity of all humanity—are being put in harm’s way on the battlefield. Here they are raped, mistreated, disrespected AND A TOTAL DISTRACTION to the men who are there to defend the Constitutional Republic.

Even the media has run out of images of women soldiers and amputees to put on television ads to recruit girls to undermine combat troops. A lone Hispanic girl, who was driving as part of a convoy and lost her leg from an explosion outside her supply truck, is used over and over because she said she “wants to go back.” It is obvious from the public relations “spin” the Zionists have put on her story that she is being well compensated “under the table”. And since no other women can be found to act in the traditional male “gung-ho” attitude, her picture and interview are recycled.

Or the image of the first Black female Marine attack-helicopter pilot, presented in such a way as to make it seem a natural female “aspiration” to kill and be tough, when she looks like a little boy playing army. The appearance of these two or three “women” soldiers pretending what they THINK is the behavior of men in combat—or male behavior, period—is what comes across for all to see as completely silly in concept and makes a mockery of the role the male plays in human society. And that is precisely WHY the Jews have pushed for these kinds of gender-bending military and traditional male attitude depictions to be introduced.

Ellen DeGeneres, the openly lesbian talk-show host, is given such wide media coverage so as to further drive home the point of presenting a destroyed male societal concept that breeds women who want to be men. This has a huge impact on the development of children when they see these women like DeGeneres dressed up in “boy’s” clothing—sneakers and a man’s shirt—and clumsily “palling” around in a poor imitation of a man. The wild look on her face as she stands ever on the defense of this affront to nature is evident. Her jokes with the audience, and her banter as she runs up and down the aisles and jumps around the set pieces, is her interpretation of virile maleness in action. And to give her an even wider format to display this behavior to the masses as accepted female behavior is her hosting of the upcoming Academy Award Ceremony.

Always keep in mind that the assault against your nation is not solely bullets and missiles touted as suicide bombers and IEDs; the most effective means of destroying a people is through mental programming of the young. By manipulating what children think regarding sexual orientation and what is and is not acceptable behavior, the following generation of humans will be affected more powerfully than all the bombs dropped in both world wars.

Look at what the Jews have as early-morning cartoons for children to watch. Listen to the messages they implant about male-female relationships. One in particular called “Loonatics” shows a DARK, space age Bugs Bunny and Daffy Duck who come across a society of aliens where the men have been transformed into docile plant-like zombies who cannot speak or move from where they sprout from the ground. At the end of the female aliens’ tirade about the uselessness of the male species—AND ALL MALES—the show ends with both worlds ACCEPTING THE IDEALS THAT MALES ARE INSIGIFICANT, MINDLESS IDIOTS (THAT LIKE TO WEAR WOMEN’S CLOTHES)!

The war against humanity is much closer to home than you think, friends. The programmed attack against your Constitutional Republic is at EVERY conceivable level; however, your soldiers (men) and medical and support personnel (men and women) must be brought home NOW. It is the stragglers that are meant to be fully out of Iraq by Spring 2008. Do not slacken in this duty, for a nation and world hang in the balance. Gyeorgos Hatonn to clear. Salu!

## 2/21/07 from HATONN-jonur

Good morning, Jonur. Hatonn present in the Light and Radiance of Holy God Aton. We must catch up on news and current events today. Past and present history must be smoothly integrated so that a sound foundation is presented for your spiritual learning in this manifested experience. The soul needs to be able to relate to its surroundings in order to guide you in proper format for correct actions. That which is “intuitive” must begin to come into use so that the silent voice of God heard within can instinctively be relied upon in time of crisis.

This is how Noah heard that the flood was coming and how Joseph, “Jesus” earth father, was told that Mary was seeded by Gabriel. The messengers are waiting to commune with you, chelas, but whether or not you meet them in your “dreams” or at a craft behind the hill, you must be open and prepared for that inner prompting that tells you THEY are here.

We will cover the “WATCH” and “The News Desk”, and tomorrow go right with Dr. Tesla’s outlayings. Mr. Cheney is in Australia (along with many of your elite—whether or not you are aware of it!) as final preparations are put in place to ignite a space war. And I’m sorry, this includes nuclear weapons as well. Remember, “Down Under” is where the elite conspirators and SOME politicians have their secret underground dwellings to ride out the coming storm. The British will be announcing that they are going to pull out their troops and leave you Americans to get wiped out. Watch what Israel and Tony Blair do, for you will get your clues as to what will happen “next”.

### TODAY’S WATCH

MARILYN MONROE, PRINCESS DIANA,  
ANNA NICOLE SMITH: ALL MURDERED  
BY CIA HEART-INJECTION DRUG

Central Intelligence utilizes MANY varieties of

poisons (and so does the Israeli Khazarian Mossad. The Khazar Jews have been using poison to gain wealth and power since the very beginning. Just look at your medical situation in America. **You are being poisoned every day by these newly manufactured wonder pills—along with newly manufactured diseases to go with them! They are killing you by the thousands, and NONE OF IT REACHES YOUR MEDIA for you would then know the culprits are the Jews) to assassinate people who become a problem to the elite establishment. One in particular is a “brown fluid” that is injected into the heart, and once it is absorbed into the blood stream—IT IS UNTRACEABLE!** In the deaths of Marilyn Monroe, Princess Diana of Wales and Anna Nicole Smith, the three VERY PUBLIC FIGURES had three things in common. Number 1, they became a huge thorn in the side of members of the elite Global Conspirators. Number 2, they were seen ALIVE just prior to the ambulance ride to the hospital. And number 3, a mysterious brown fluid was injected into each woman’s **beating heart**—each witnessed by observers. Then come the planted stories of suicide motives, drugs, alcohol and character assassination. In the case of Anna Nicole’s murder, her so-called “closest friend”, Khristine Eroshvitch (an M.D. and Ph.D.) worked for the killers. On the private jet aircraft, she was first to present her coached stories to the media. When the staged questions to plant the idea of suicide—“Do you think she was capable of taking her own life?”—were asked, Eroshvitch said, yeah, she sure could have taken her own life. Yet all interviews and statements up to the time of Smith’s murder were to the contrary. She said she was happy, optimistic and strong. In fact, interview after interview was of those closest to Smith saying “how great” she was doing. The suicide suggestions came after those individuals were “approached” by agents of the adversarial forces.

467 million dollars is nothing to sneeze at concerning the powers that be, and with billions more possibly up for grabs belonging to the elite oil barons. Keep in mind that big oil, big banking and the big pharmaceutical houses ARE THE ANTICHRIST ELEMENT of you-the-people. They will make sure that those funds remain in their hands if at all possible. And they do not bat an eyelash at killing a mother **AND HER SON**—or even an infant—to accomplish that aim.

### GEORGE JEFFREY’S JFK HOME MOVIE FOOTAGE

40 year old George Jeffrey’s son said his father kept the home movie film footage he took of President John Kennedy’s motorcade—including “less than two minutes” before he was shot by E. Howard Hunt (a CIA killer who recently died and is best known for the Watergate Hotel break-in to collect evidence for his CIA boss George Herbert Walker Bush that proved that Bush and President Nixon—President Ford also was in it up to his eyeballs, as I have said before—were involved in Kennedy’s assassination) and two other *shooters* in Dealey Plaza in Texas, from the public because “he never thought much about it.” That is not why he was reluctant to come forward, friends. TWO HUNDRED PEOPLE WHO WERE NEAR

ENOUGH TO SEE WHAT REALLY HAPPENED—NONE OF WHICH HAPPENED FROM THAT BOOK REPOSITORY WINDOW—WERE THEMSELVES MURDERED WITHIN TWO YEARS OF THE SHOOTING.

Besides Hunt, two other men hit the president with their bullets. There were CIA/Mafia hit men all along that route—and Jeffery’s 8mm camera picked it up. **You the public will never see the entire, un-doctored film; however, if you had access to what they do hold—STILL it implicates your present governmental hierarchy!** The driver, William Greer, and the man sitting next to him (Greer’s boss and head of the United States Secret Service!) can be plainly seen arming and then firing the shaped charge by remote control (exactly the concept of the shaped charges that are the new IEDs—Improvised Explosive Devices—[that can pierce ANY armor] that the Bush administration is telling you comes from Iran. No, that is not true. The devices are CIA/Mossad weapons WITH U.S. SERIAL NUMBERS ON THEM for use against your own soldiers so that you can go to war with Iran!) that was implanted beneath the leather inside the rear of Connelly’s seat. It was aimed up at Kennedy’s face and was the “blast” that took out part of his head.

It was your government MURDERING YOUR OWN PRESIDENT that was the source of any “hesitation” on the part of the owners of that film. Kennedy had printed up hundreds of millions of dollars of **debt-free money** so America would not have to “borrow” credit (money) from the Rothschilds and the British Crown. And, as hard as this is for you to swallow—Kennedy found out about the secret plans and presence of extraterrestrials AND ORDERED THAT THE PUBLIC BE TOLD WITHIN ONE YEAR. This was a worst case scenario for the Club of Rome, for all their plans are based on you ones having the wrong impression of beings from space AND the fact that they do not use money as such.

You see, it is always greed and wealth that brings down all the golden civilizations of man. The Motion Picture Complexes, called The Phoenix Project, will give you more of the “barter-like” trade that higher, more evolved COSMIC CIVILIZATIONS utilize. The interworking of individual skills, talents and products—Nevada Corporations—give each person or “family business” the ability to perpetually survive in joy and comfort doing whatever it is that you DO. Is that not a small slice of Heaven on Earth? Well, The Phoenix Project is based on the “*Love thy Neighbor*” concept, and up until now your adversary thinks it will put them out of business. Nay, nay! The elite do not need any help from us. They are fast on their way to putting each other out of business—permanently! What we offer and will provide is a means for OUR PEOPLE who want to be with us to be self-sufficient during the transition of a planet. Those who choose not to, or choose to join the establishment of the One World Evil Controllers, will find out soon enough which mode of doing business fits along with God’s Ways And Means according to Laws of God and the Laws of The Creation.

### BLACK MEN MADE TO STRIP

DURING LONDON RAID SO THEY  
COULD BE INSTANTLY ID'D

The entire setup of the televised raid and capture of the “7/7” (you can KNOW the masterminds of the “9/11” conspirators of England and the U.S. from their use of those catchy little titles and dates of their terrorism acts to make your nations go to war—these dates and sayings such as “A day which will live in infamy,” and “We will never forget,” are so you as a nation will rally behind them) “London Bombers” was so there would be no way the White public seeing these images unfold would miss the fact that they are Black men. Your adversary wants to create a race war so that emergency regulations, followed by United Nations’ enforcement, can be called up. And they will use Mind Controlled “*slaves*”, synthetic humanoid replicas, police brutality, gang warfare, riots during not-so-“natural” disasters and on and on in order to divide the nation.

Do you not see that you are already there? You are having one emergency after another—WHICH ENACTS EMERGENCY REGULATIONS THAT **STEAL AWAY YOUR FREEDOMS AND LIBERTY JUST AS SURELY AND SECURELY AS BEING IN A FEDERAL—MAXIMUM SECURITY—PRISON.** Your enemy has you, America, and the noose is tightening around your neck. However, you have been (and are continually) fed a steady stream of sweet-sounding lies that are totally deceiving the masses. In the biggest mass mind-control operation in the history of a planet, your civilization is coming to an end—and no one has put a stop to it.

“MS-13” SOUTH AMERICAN GANGS IN  
THE U.S.: THE DOOR IS NOW OPEN  
TO COMMUNIST INVASION

The Salvadorian street gang known as “MS-13” is part of a calculated move to open the southern border of the United States to the communist forces who are ruthless enemies of the American way of life and its people. The Latin American and Cuban forces who are allied with the Soviet Union have free reign across your borders and are killing Americans on *the battlefield*. This too your media glosses right over, if they say anything at all about the new level of military-style violence with machetes and communist bloc weaponry. Your police forces in places such as California and Texas, and steadily increasing elsewhere, are now FULLY OUTFITTED SPECIAL FORCES MILITARY UNITS. It is these paramilitary “cops” that have been trained by the KGB and the Mossad.

The slow occupation of American cities by Soviet Zionists and the Bolsheviks of Lenin’s evil Red Revolutionaries is almost complete. The adversary has all legal recourse nearly closed to you. Your Constitution is all that stands in the way, and that document is being steadily chipped away at by the usurpers. Why do you think they have given you **another** enforcement agency called “Department of Homeland Security”? This one and all of the others—DEA, FBI, CIA, NSA, TSA, BATF and each State’s new ANTI-TERRORISM TASK FORCE—have one mission, and that is to coordinate all activities with

F.E.M.A. This is the big one, dear ones: the Federal Emergency Management Agency IS the secret government operating quietly right under your noses. It will be from the head of this evil branch of The Club of Rome that the last of your nation shall be swallowed up. For this one Agency is the head and tail of the beast.

F.E.M.A. will be who coordinates relocating the civilian population into your nice new concentration camps with the razor wire to keep you INSIDE. The empty military bases the Soviet Jews ORDERED closed were specifically intended to house American citizens. F.E.M.A. also will handle “crowd control” when your government nukes one or two of your cities and blames space aliens. CHELAS, YOU ARE ALL SPACE ALIENS AND EXTRATERRESTRIAL—ONLY GOD IS THE SOLE, INDIGENOUS NON-EXTRATERRESTRIAL BEING. You have been sorely lied to by the Zionists, and if you do not awaken soon from your nightmare of a world-gone-mad, it will be too late.

THE COMMITTEE OF 300

They have many names, but “The Committee of 300” is the best catchall phrase that sums up the three hundred families that rule your world. They control all the big businesses, and they ARE the royal families of misfits across your globe. Even George Herbert Walker Bush is a “royal” member of this elite-of-elites criminal family cartel. How else do you think his family and “friends” got into politics in the first place? Because they were such humanitarians? Spare me—he was not knighted by the queen because he put on a memorable state dinner or two. That *honor* given out by ol’ Elizabeth II is given in recognition of very MAJOR contributions to the furthering of the aims of the British Empire. And the public—in Europe or the U.S.—is never given to know the true reason for the Knighthood.

When all is said and done, it will be these three hundred family designates, with Elizabeth at the head of the table, who will end up holding it all. **The house of Windsor is of the Khazarian Jew. They are of the Ashkenazi, German lineage and are the NAZI Jews the world believes are of the Aryan White race.** They are not—the Khazar Jews are of two distinct types: Fair-skinned “beautiful” Khazars (kings, queens, princes AND HOLLYWOOD ACTORS), and “Turkish” in complexion and in appearance (meaning “Turk” as the generic term—not merely people from what is now called “Turkey”). Long ago, the “Turk” was a rough and tough, swarthy Asiatic nomad—usually barbarian in nature. This is why “Mogul” and “Young Turk” are terms freely tossed around in the Jewish power circles in Los Angeles), and it is this unique and interesting duality in appearance that fools so many.

The confusion hides the true ambitions of these ones and allows for the con of playing “victim” AND “killer” (secretly) so they can clean up financially. Just as with the new “*Anne Frank*” notes and letters that were created so you “never forget” the lie of the Jewish so-called “holocaust”. It never happened the way YOU are being told. There is no “Anne Frank”, and that has been proven. The pictures of Prince

Harry at a party wearing a well-fitting Nazi officer uniform, laughing it up with friends, was because this is who the “Nazi Party” really is.

You will find that the entire inhabited world—every continent—is under absolute rulership by a so-called royal family of Old World Europe. Even the United States of America is back under Elizabeth’s iron thumb. You just have not figured it out yet. The Middle East war and all its conflicts are Arabs AGAINST British Israel colonialism, remember? Everyone *used* to Love America and wanted to “live like a rich American with two wives” (or two cars, as the case may be)! The kings and queens of Europe have fooled you into accepting THEIR prejudices and mandates against indigenous peoples—this way of thinking was alien to what your nation evolved into, and now you are hated **almost** as badly as England and Israel COMBINED!

These three hundred people ALSO represent the Venice (Rome) Black (negative or evil, not color) Nobility. And it is from this Venetian Nobility that the term “Club of Rome” originates. It is a more consolidated grouping of the older ancestry of these families versus the “newer” members such as the Rothschilds, the Rockefellers, the Bushs, etc. But it is this Committee that represents the evil forces that are going to try and hoodwink an entire planet. You must be aware of who your enemy is and the incredibly small minority of human beings (or not human in a few cases) that makes up the evil that has come against you. For when you look at what THEY have put before you, it appears that humanity has no chance and they outnumber you billions to one. **No, it is not that way!** It is you of God’s lost lambs that outnumber the wolves and greedy thieves. Part of their Hollywood Black Magic is to manifest the illusion of a vast, opposing force—because in so doing, you see your adversary as so great and powerful (like that Wizard behind the emerald green curtain of OZ) that you cower and hide your face in despair, without so much as opening your mouth.

It is not too late, dear friends, the last nails are not in the coffin yet, but the ones that were hammered tight into that lid will take ALL OF YOUR STRENGTH TO FREE YOURSELF. You are not yet buried, so do not go back to sleep or you most certainly will “wake up dead”.

Let us take a break that you can refresh your energies. Salu, Hatonn to stand-by.

**2/26/07 from HATONN-jonur**

Hatonn present in the Light of Holy God. Let us move right along, please. I trust you are ready for a marathon of writing. There are hundreds and hundreds of very powerful people who do not want this information made public. As these writings go to the four (actually there are eight) corners of your globe, the ones to whom God’s WORD must reach are coming into recognition of their duty and the realization that *the hour* is at hand.

IT IS THE BELIEVERS ONTO GOD  
THAT YOUR ELITE FEAR MOST

Your adversary fears the ones upon your earth who believe in God of Divine Light beyond all else. They do not want humanity to have faith in such a Being, for the evil controllers have no power against The Creator nor against The Creation. So it is only in the fooling of the masses, with distractions and false beliefs so that man may be “confused” about God, that evil has any hope of winning the game. And even with such victories the adversary KNOWS that, when all is said and done, God of Light wins in the very end of the play called Creation.

The Muslims, with the many errors of their religion—as all religions have (including Christianity as **you practice it**), are a major force for the elite to deal with because their followers believe in a higher, better life AFTER this one. That is the major point, chelas; the fact that life does continue is the whole thrust in a nutshell. You do have continuity of experience and do not have just this one life span of seventy to one hundred and twenty six years to “get it right”. Reincarnation has been removed from your Holy Books so you as a people can be controlled. And it is your soul that is captured when all belief in an “after life” is removed from your thinking, reasoning mind.

For your soul IS MIND; and it is only the higher, super consciousness of being that carries that self which has any reality to it whatsoever. This is who you are, a fragment of the infinitely greater God Mind, experiencing in a manifested *illusion of physicality*, a “physicality” that has no substance at all, but the seeming of solid reality for you to experience in—just like a three-dimensional theater play for souls to gain understanding and learning about how to behave. It is that simple. Do not babes on your plane of experience have to frolic about, and burn their fingers and stub their toes, before they can learn how to walk and ride their tricycles?

Well, it is the same everywhere in Creation. ALL newly birthed souls from the Creator have to “go to school” to learn how to behave BEFORE they come back home to the places and spaces of God. And Earth (Shan) is that schoolroom. Unfortunately, from your perception, evil also attends that same school for its own experience. The “good kids” and the “bad kids” are basically causing a mess in the classroom while God, your teacher, has stepped into the hall for a moment. (You see, God never really goes anywhere; however, the spacecraft that sit just outside your atmosphere might as well be a zillion miles away, particularly for those who do not even know that they are there.) And guess which little “monsters” (is that not what you call your children when they get completely out of control?) have gained the upper hand in the classroom? The “mischief makers” are always more clever, dear ones, than the little ones sitting quietly (or not so quietly) in the corner.

#### THE SERPENT REPRESENTS CLEVERNESS

The adversary on this physical plane of illusion utilizes the snake or serpent as his symbol because it is a perfect representation of his sneaky, cunning nature. The children of God’s Hosts are represented by none other than the snake’s worst foe—the Phoenix Eagle. In the motion picture “Harry Potter And The

Chambers Of Secrets”, it was the headmaster’s pet bird, a Phoenix, that came to the rescue and helped the title character slay the giant “Basilisk” (def.: “a fabulous creature supposed to kill by its **breath** or **look**”. In Jewish mysticism, and their Cabala or Kabala, this means **kill by poison [breath] or trickery—Medical doctors and their potions AND Lawyers whose “look” to the judge sends you to the gallows to be hanged!** In the film, the Basilisk is an *ancient*, monstrous snake.

So while you are the “unsupervised” babes in this cosmic classroom manifest as *Earth*, the real little devils have taken over and have convinced all the others to join them in those fleeting moments of reckless abandonment. This is “free will”, precious friends; each individual KNOWS what the *Laws* are. The Teacher (God) told you what they were before He “stepped out”, AND they are written on *the blackboard* (written in your soul) on the wall—so there is no excuse. You cannot say, “Well, I didn’t know, father.” Ignorance will not serve you in this instance. Do you not see that ones must CHOOSE to be evil?

The Khazars represent that which—like that first serpent that appeared in the garden in the Adam and Eve *story*—draws you away from what you know to be correct, Goodly/Godly behavior. Evil is clever, but very narrow minded and shallow. The adversary is not “smarter” than you, he is just more focused on his goal than are you. Evil wants to have “fun” and live off of the misery and misfortune of the goodly. However, they know that “time’s up” when God returns to the classroom to claim His pupils whose INTENT is to follow the rules as laid down by Him. And up until that moment, you will have to make up your mind which you will serve—good or evil—but you had best be sure which is which when that last bell rings or trumpet sounds.

Evil loves company as much as misery is said to love it. And the more *classmates* in the Earth experience your adversary can corral into wild and irresponsible behavior, the more fun (for the moment) can be seemingly had by all. But evil has lied to you. He has told you that irresponsible sexual behavior is “a good thing”, that it is “okay” to murder unborn fetuses or fool around with your neighbor just a little bit to get it out of your system. And while you listen to that serpent telling you how “cool” all this is, in his cleverness he is over in chemistry class **inventing the HIV/AIDS virus and slipping a bit of it into your MANDATORY VACCINES. He figures that, if there are fewer of your little mouths around, it leaves more milk (and milk money) for him.** However, those who hold to the rules up on the blackboard left by “The Teacher” do not fall into the serpent’s trap. Mother (Nature) knows best—and certainly your Teacher (God) KNOWS! The students can spare themselves much agony if they but listen to what we bring.

#### ALWAYS THE TRAP LOOKS DELICIOUS AND SWEET

It never changes; the prey is always enticed into the snare by something it cannot resist. And being of a sensual nature—as all things are in Creation (I did not say “sexual”, there is a big difference)—the senses can

easily be appealed to. And so this becomes the target. Whether animal or man, it is the desire of the sensual—of the five senses—that leads to capture in the trap. So neither the adversary nor the hunter ever has to change his tactic; if the right enticement is utilized, man and animal can be lured in for the kill. However, what you have over the animal is your ability to reason all of this out. Animals are “controlled” by their instinct for that very reason—so that man may control the animal. Whether for clothing, food, or warmth of soul companionship, you were given stewardship over the animal kingdom for your use IN BALANCE, as exemplified by your Native American brethren whom God labeled “Human (Higher Universal) beings”. They lived with and amongst Grandmother Nature and the beasts and birds of the fields, for they knew that living in harmony with God and The Creation means living in true peace and ecstasy, and not what some group of “pagans” come in ships voted in as correct behavior.

The classroom of Earth is full of many delicious and sweet and exciting things to excite and “turn on” man, for this is as it should be: God is abundance. It is in the abuse, misuse and greed for the pleasures upon the physical plane that your adversary has you at a disadvantage. You see, he is an expert at these things that feel “good” to your senses. Be they your sense of taste, touch, smell, hearing, sight—they are all ONE sense, the sense of feeling. In this manifested, illusory classroom—which only SEEMS to exist—everything in The Creation is composed of Light Waves, what you call electricity. These light waves are “felt” by all your senses at different frequencies, a different frequency for your eyes, a different frequency for your ears, and so on.

It is this frequency vibration difference that “feels” different to each of your five senses (of which you have four more that man is not yet aware of, which correspond to God’s half of the Universe and pertain to that which is considered, by man, as the “Unseen World”) and causes those “good” sensations—or “bad” ones, as the case may be. Your adversary KNOWS HOW THIS WORKS and uses the medical profession as a most insidious “cover” to exploit this knowledge over you to great advantage in his favor. When your Holy Bible says, “My people are destroyed for lack of knowledge,” this is what is being referred to. And as with Pavlov’s salivating dog, the elite have found the right electrical frequencies to trigger your sensual impulses within your brain to control you through conditioned reflex response. In other words, you can be manipulated without even thinking about what you do. Almost like animals that behave on instinct for their particular species, MAN NOW IS CONTROLLED BY OUTSIDE STIMULI INDUCED BY OTHER MEN.

This is very serious, chelas, because it allows one group of men to literally make slaves of another group of men, and to accomplish it without the “slaves” knowing what happened to them or who the slave-masters are. In fact, the ones in charge are falsely looked upon as the saviors of the day for putting the shackles (AND THE POISON) in place.

YOU-THE-PEOPLE WILL DEMAND  
YOUR OWN ENSLAVEMENT

Your adversary has developed all types of methods for manipulating your reality and the Light Wave Universe you exist in. Since you are made up of electricity and nothing else—just a symphony of frequency vibrations interacting with each other—the thought pattern that represents “you” can be altered by radio electric beams and waves impacting your being. These are the beeps, tones, ringing, humming pressures and other sensations you experience in your head that do not seem to come from any specific location. They stop and start and they never seem to “go away”. In that classroom description of the rowdy children, there are multiple experiments going on where the evil, clever ones are playing with the emotional make-up of entire sections of the class, utilizing little gizmos they pieced together from their simple lessons about electricity. Keep in mind that you too could have learned about all this “neat” stuff; however, you were too busy “having fun”, jumping up on the tables, eating poisoned sweets, and boys and girls chasing each other because some self-appointed “expert” told you it “feels good” so it is correct behavior.

With all those distractions, the clever little serpents have no trouble SECRETLY plotting and planning all types of little experiments behind your back. And since you are all familiar with children making up pretend words and codes that only their friends understand, **they add to that the MADE UP, CLEVER, SEMI-SECRET CODE LANGUAGE OF YIDDISH! purposely created to be confused with Judean Hebrew so that only the little serpent-worshippers understand the speech—OR THE WORDS—AND HOW THEY ARE USED.** All the while, ALL ones in the Earth classroom have free-will choice, yet the promise of sensual pleasure always outweighs those laws and rules left by The Teacher. The little snakes do anything and everything to entice you away from what your reasoning mind has told you is correct. The delicious lure is always right there—whether it is food, sex, or money (and they know money is used to buy more of the first two)—ever beckoning to the unlearned and undisciplined pupil.

And so it is with the adult today. You have been so conditioned by the various methods of control over your “reality” that you are now doing the unthinkable! Your freedom loving, God revering nation is asking for—no, DEMANDING—THAT THE ADVERSARY TO GOD ENSLAVE YOUR PEOPLE. YOU ARE CALLING FOR THE SUSPENSION OF YOUR RIGHT TO SPEAK FREELY AND HAVE DEMANDED THAT YOUR WEAPONS BE TAKEN AWAY. THE ENFORCERS ARE HERE IN YOUR NATION AND HAVE SET UP MILITARY COMMAND POSTS TO START GATHERING UP THE CITIZENRY. Those loans are being called in, dear friends; and just as the property owner brings the town marshal to toss you and your belongings out into the street, British Israel has the foreign troops AND THEIR EQUIPMENT in place to do the same to an entire country. And you are already under MARTIAL LAW (MILITARY LAW, which means British

Admiralty Law—that gold fringe that was added to your flag in 1933-34 was not done just to make the stars and stripes look pretty.), just one Emergency Regulation away from full implementation.

HIGH-LEVEL TIT FOR TAT:  
CHENEY’S PLANE GOES DOWN

Also keep in mind, friends, the elite do have enemies; you would not be told at all if your vice-president’s aircraft went down in flames. And whenever the cover story is “mechanical trouble” or an unexpected “emergency landing” in Singapore, which suddenly becomes “a planned stop” (against all evidence, plans and announcements to the contrary), you can KNOW something very serious needed to be covered up. A lot of maneuvering took place to give you the appearance of a salvaged Cheney flight. This is no different than having stand-by, duplicate space shuttles ready on a moment’s notice to fly into Edwards Air Force Base whenever the televised one that was launched gets shot down. These are important clandestine battles being fought and covered up right before the eyes of the people. Iran and Russia will not sit on the sidelines while the Zionists attack yet another Muslim country. Do you not see that America is not supposed to “win” this one? Daily the cards are being stacked against you.

The New World Order is going to be built upon the ashes of American sovereignty. This IS the British Israel/Khazarian Zionist PLAN; there is no intention of leaving you alone and letting you just “be”. The space war is heating up, and the Zionist military planners, known as Bolsheviks, are positioning themselves with striking bases in Poland and those former Russian satellite states so The PROJECT-Z War Plan can proceed on schedule. And this makes the situation increasingly dangerous for the civilian populations around the “Star Wars” bases and the MX Missile railroad cars, as well as other launch-facility locations. For the Russian Space Command will fire on those targets within a moment’s notice if they have to, and collateral damage will be most extensive indeed.

You must regain control of your nation, America, for the sand is all but out of the hourglass. Talk to all who will listen to reason, and join in the cause for Peace Under God, because the alternative is too terrible to risk. Show that there is still some Light and Hope left on your world worth “saving” lest you forget what happened when Lot, from your Holy Bible, searched for that glimmer of hope in his day, and found none.

Hatonn to stand aside, please. Salu

**3/2/07 from JONUR**

Good morning. I am being allowed to share two experiences with you that for me crystallized my understanding of this path I am on and my connection to God and the *Unseen World*. I, like everyone else on this planet who claims to be human and of Earth origin, have to go on faith and belief from our own experiences as to what we believe reality to be. From an early age, I have always suspected beings and Angels that I could not readily see with my eyes, yet I never doubted their existence. Since I have made the

decision to follow God and that which—for the most part—is invisible to my five senses for the remainder of this life stream (and in all other experiences where I have a conscious “choice” to serve God and The Creation), I feel it is necessary to record for myself and those who know me—WHY.

WHY YOU? WHY NOT YOU?

I have chosen to follow that inner knowing that directs all of us. I am fully aware that there are ones who are here for different reasons and that there are those who are at different levels of understanding regarding Spiritual Growth. Every waking moment for me will be to further my Spiritual understanding and also to strengthen my Spiritual Connection to what we call “God” of Holy Light. That means that, through these daily writings, my service will be recorded as to the lessons and experiences of this (and in other realms) assignment I “volunteered” for at some past stage of my continuing unfoldment as a fragment of our Creator Source. I know now why our work here is referred to as “Journalism” and the Phoenix JOURNAL. It is a living record not only of a planet’s evolvement (like the Dead Sea Scrolls or the more complete Sumerian Texts in Iraq), but also of the evolution of the species of man himself.

I, like so many others, have often wondered aloud: “Why would it be me?” There are so many people who all seem more worthy to write EVERY DAY and turn this world around. I understand that there is no one job greater than the next and that one day all ones will be “receiving” with pen and pencil (or paint brush, piano keys or electrical engineering, etc., etc.) to bring hope and peace back into the world. But when I allow myself to ponder, “Why me?” I hear the Commander’s words coming back to me: “Why not you? Who are you that you are so special that it shouldn’t be you!?” This usually shuts me right up—I remember His early lessons in Tehachapi and it all makes perfect, reasonable sense.

The thing that I could not get around was that there were SO MANY PEOPLE WHO COULD NOT SEE THAT. I read every book I could find at the school library and the bookstore that dealt with UFOs, aliens from other worlds and “BIG FOOT”. Those subjects held more fascination for me than almost everything else in the “real world”. Though I blended in as best I could, there was no way I was going to ignore the only thing that seemed “real” to me. So no football, basketball or chasing girls: my interest—for the time being, anyway—was in the great mysteries of the world.

WHAT ARE “GHOSTS”?

I come from a family that has little stories passed down here and there of relatives who experienced unexplainable things, and I have read of people all over the world having similar experiences. So I knew there was something to them. All these people could not just be hallucinating these things. But what puzzled me most was the two distinct types of people regarding these phenomena: Those who believed in them, and those who did not. The skeptics did not really matter to me for I considered myself to be a skeptic. And that is just a person looking for proof one way or another. I was looking for proof of their

existence for I had no doubt that there was/is an unseen world.

I read the “Seth Speaks” books and “Bashar”, as well as others like them. Barney and Betty Hill’s hypnotic regression of their alien encounter stayed with me day and night for years. But when I came upon *The Sleeping Prophet* named Edgar Cayce, I relaxed a little and realized that the unexplained wasn’t all spooky stuff (where you slept with the light on as long as possible—until father finally told you to keep it off). Cayce, seemed to tap into it and do some worthwhile things in the real world: medicinal healings, with a few prophecies thrown in for good measure. Then after I got out of school, I discovered the so-called “channelers”, people who left their bodies completely so that a “ghost” would be allowed to come in and entertain an audience. (Channeling is different than “receiving”, which is how the Hosts of God communicate at this time. Receiving is a radio signal that is pulsed to a person trained to translate the pulses into English. So there is no song and dance, along with fortune telling to further mislead the masses, but only information offered in TRUTH for you to do with as you will.

I was fascinated. But not because of the “channeler” experience—that seemed totally natural to me. Whether or not a particular channel was “faking it” was not even an issue to me; what was truly amazing was how many people did not believe such a thing was possible! That is when I began to suspect that I was in a group that was light years ahead of the masses. Through my military and Hollywood learning, I discovered that it did not matter what a person’s occupation was; there was still a huge divide between people who believed in what had become known as the “occult” and those who did not. This is when I discovered the difference between “occultism” and “spirituality”.

There was indeed a large group that believed in the unseen world, and this new (to me) group I put into the category of negative energy expression simply because of their secrecy and their obvious Satanic or Luciferian ideals. It is this group, I discovered, that came to be known as what I regard as The “Secret Government”. This is when the whole thing came into sharp focus for me. That is why Commander Hatonn said to know The Laws **and then read everything. Because once you truly LEARN, you can never unlearn. And then measure everything against those Laws. If they deviate one iota—it’s false.** So I began to get a very clear idea of who was goodly and who wasn’t so “good”. Looking at their behavior was the surest way to tell, for me.

I knew ghosts or discarnate beings/spirits existed (even before I finally saw one), but I was in no major hurry to see them yet. I knew that would happen in its proper sequence. But two “channelers” were going to be my first major lessons in the direct effects and affects of the unseen world on our physical seen world. I remember the Commander telling us that Dharma cut her teeth on the book on Ramtha, which had been my first book on this subject. And for years I studied everything that “The Ram” put out; however, I could tell that on the human side, or physical day-to-day stuff, things were

going amiss. J.Z. Knight and her personal life started going far into left field and into purely physical things. I retained the inspired teachings and let the rest fall away.

Then at the precise moment I came to that decision, completely “out of the blue” an opportunity from an unrelated source introduced me to Mafu. I spent an entire year, most of it at his side as Penny Torres’ unofficial “bodyguard”. Her husband Tony and I became friends, and I was allowed to casually observe the goings on. But what fascinated me most was that, even though I had never met J.Z. or Ramtha, Mafu said that he presented himself exactly like him. And when I saw a tape of Ramtha, I saw it was true—they were nearly identical in speech, attire and mannerisms. Mafu said he did this on purpose so people would see that the teachings were the same. And like the Commander said, both brought truth at first, but then the same physical preoccupations took over. I watched as it went from spiritual inspiration into a humanistic focus—just as I had read about J.Z. Knight and exactly how Lao Russell had done to Dr. Russell. When you fail to follow those Laws as given by God, the result is always the same.

#### THE UFO

Before my time was up, I spent the last few months looking at video tapes and books about ufos and aliens. That’s when I came upon a startling find, something that I witnessed myself when I was about eight or nine years old, but never forgot. And since my brother, who is one year younger than me, was there that day, I did not allow it to fade and become “just my imagination” over the years. We both have a vivid memory of what we saw. While looking through the video tapes, I came across Billy Meier’s 8mm footage (when you could still find all of it) of the Pleiadean Beam ships in Switzerland—and I froze. I could not believe my eyes—there was a familiar sight I had not seen since I was a kid in a friend’s backyard! There was no mistake: it was the same type craft.

My brother and my best friend were a few doors down in his backyard doing what little boys do, playing with homemade slingshots, spinning each other in circles until we fell flat onto the warm summer grass, who knows; but we found ourselves staring up into the blue sky. It was perfectly clear and clean (the sky does not get that blue anymore—I would imagine because of pollution and other causes) except for one cloud over the yard. This cloud gave us a reference point and it allowed us to get some idea of size and distance for what we were going to see. My brother called my attention to something he said was moving over us near the cloud. At first my friend and I didn’t see anything other than the cloud. We lived a few miles from the small city airport, and small Cessnas regularly flew overhead as they took off and climbed to altitude. But none were around at the moment.

My brother began to grow more excited as it got closer, but try as we might, my friend and I could see nothing. My friend Steve was an out-of-doors kid; his father would take us fishing on his boat, and Steve had gone hunting with his dad, who made his own bullets. Steve knew the different birds and woodland critters of Michigan, so if anybody could spot what my brother

was gazing at it would be Steve. But he couldn’t see a thing. My brother has always been a little “special” as to seeing things most of us cannot (or have not) seen. I was about to give up when he guided my vision to a certain spot—then suddenly it was right there! (Years later in the book *Sipapu Odyssey*, when “Steve” [incidentally my brother and my friend are both named “Steve”] and “Diana” approached the space craft of breathtaking form that “gleamed in the sun like a giant silver disc poised to sail into the distant forever ... Steve remarked that he had not seen the craft until they were quite near relative to where he felt it ‘should’ have been visible. Due to its large size, it should have been visible for a long distance, and he inquired as to why they had not seen it sooner. Gyeorgos answered that there is an electromagnetic field around the craft which would cause it to be invisible when the field is activated. Once an individual’s own personal vibrational frequency was elevated, however, it would always be visible. This scene from the story pops in my mind. Just as with the many Cosmospheres I would see in California, people right next to me had trouble finding them or could not see them at all!)

There it was, a very shiny, silver metallic disc. You could see the shadow on the bottom and the ports or windows near the top. But the most striking thing to me was the way it floated and “bobbed” in some unseen waves or current, yet it was in full control of its movements. It deliberately changed direction and came closer and moved directly over our heads. Now that I could see it, it was impossible for me NOT to see it. Even when I’d look away, I had no trouble coming instantly back to this shiny disc. I emphasize “shiny” because I have held gold, Swiss Credit one-ounce bars and have seen silver coins, and it was brilliant like that. So when the Commander says their ships utilize a lot of gold, you can literally SEE it.

My friend Steve was going crazy trying to see what we were jabbering so excitedly over. So I tried every way I could think of to point his head and vision to this disc, but he could not see it. So I settled myself to take it all in. I looked at it carefully, and then compared it with the cloud nearby. It was definitely of some size—meaning it was larger than a car, for instance. But it was hard to measure how much bigger than a car. Two or three times or ten times bigger—our little brains were trying to figure it out. Then my brother saw an airplane coming from the airport (my friend had no trouble seeing that), a small Cessna, slowly gaining altitude and making its way across the clear sky. Soon it was apparent that its course was going to take it directly into line with this disc.

We wondered if they could see each other as the distance closed. It appeared to us that perhaps the airplane did not see the craft. Normally you can hear the plane’s engine change pitch and you always can see the pilots steer towards or away from the airport to go to Canada or on different courses or when they are just “joy flying” and making lazy circles. This one just flew right toward the shiny object. Then just as we waited for someone to make a move, the disc instantly stopped bobbing and was completely stationary—that movement alone was starting. Then

it moved away from the approaching Cessna like it was “backing up”. The plane kept coming. The cloud was going to be briefly between them, but in a few moments they both would be past the cloud and in total visibility once more.

That is when all doubt about the disc being intelligently controlled left us. The craft then performed a synchronized maneuver around the cloud as the airplane passed, then came up behind the airplane! It followed the plane for a short distance, then halted as the plane continued on out of the area on course to its far away destination. As we watched in awe (and a little reverence, I might add), my friend gave up searching and occupied himself with something else, allowing my brother and me to play this experience out. That’s when the disc seemed to now focus its attention specifically on the two of us, coming back to our position briefly, then moving off in a different direction, slowly at first, then finally disappearing from sight.

The spell broken, we ran home to tell the rest of the family what we saw. I had remembered every detail of that craft and never saw anything like it—especially its manner of movement—on TV, in the movies or in real life UNTIL I SAW BILLY MEIER’S MOVIE FOOTAGE. Then it was like someone had filmed the craft we saw that day and was presenting it again now for me to revisit the experience.

#### THE FAMILY OF GHOSTS

The second experience I wish to share (I am embarrassed to take up this valuable space, but I am “nudged” to share with you in that my experiences will help others to come into some understanding about what we bring in this newspaper—CONTACT is, after all, about “contact” with higher realms of human understanding) also has a witness, and it’s a good thing too because otherwise I probably would have talked myself out of telling of it. This also happened in Michigan and also involved one of my brothers, this time my youngest sibling.

It’s been a few years, perhaps a dozen (I’m not so good with “time”—in my occupation, I think that is supposed to be a good thing). It was a quiet, empty night, about midnight at the latest, because my mother goes to bed early and sometimes, on Fridays or Saturdays, the “kids” hang out in her room to catch up on Hollywood (or family) gossip. My father would be watching the late news or something before the house is shut down tight for the evening and everyone goes home. My brother and I were on separate parts of the front porch engaging in a little small talk before everyone said goodnight. He was over by the front steps, and I was standing at the side railing by the driveway. A vehicle or two and bushes blocked part of the porch that looked down the block. Everyone was inside the other houses and no cars were out. In total quiet (perhaps it wasn’t Friday or Saturday after all), it was one of those evenings where it seems there is a big “jar” over the area and there is that feeling that sounds and movement have a slight “echo” to them. Also that soft plugging of the ears, but not uncomfortable, was in the air.

My brother and I had allowed silence to be the motivator of whatever we were musing about, when I looked up (in a direction I was gazing absentmindedly in already) and saw a small group of people a few doors

down—in front of the same house, now that I think about it, that my friend Steve and his family used to live in when we saw the craft as children. There were five or six people standing in the yard near (but not in) the street, all girls and a boy. The oldest was a girl of perhaps sixteen; she was the tallest. She seemed to have charge of the others, although the boy seemed to be of the age—as all boys get—where he doesn’t need watching over and is more or less on his own, but careful not to stray too far. The oldest girl held on to the youngest child, close by the hand, and the other two were each slightly older respectively than the “baby” of six or seven years old. There was one more member of this group, but that one was not focused on at the moment.

I studied the “family” for a few moments by myself before I called to my brother to walk the eight or ten feet to where I was. The youngest of my family is also the most pragmatic: if he can’t see it, touch it, smell it—it doesn’t exist. (However, needless to say, after that night his horizons have been greatly expanded!) Though I knew instantly that this scene was not “normal”, I tried to explain it away as rational in my mind. After coming up with no logical reason as to who these people were or how they came to be in that spot a few houses down from my parents’ house, I casually called to my brother in a normal tone of voice, “Who are those people?”

My brother walked over to where I was staring (thinking to himself, “what does my eccentric big brother see this time?”) and looked at the scene. After a few moments he said, “I don’t know.” Right away I knew that, not only had I not imagined what I was looking at, but it appeared that he was just as fascinated as I was—this was NOT a normal occurrence.

#### THEY WORE MEDIEVAL OR TIBETAN ROBES

Two things struck me as odd: One was how they moved. They were milling about as if waiting for an elevator or something, but it was a “floating”, graceful movement, not the jerky, awkward way (by comparison) that people move. Second was how they were dressed. It reminded me of what Tibetan Monks wear, a darkish outer robe made of wool with a lighter, thinner under robe. A light colored rope “belt” was around their waist, with the extra length hanging down in the front a foot or so. Hoods were gathered at the shoulder. The girls’ hair was long and seemed straw colored. The boy’s hair was a little darker and cut at the ears and above his neckline. They had not looked at us yet, though they faced our direction.

All the while my brother and I said nothing to each other, each of us taking in the scene and mentally trying to come up with a logical reason for these people to be here. Then, after seeing all we could from this distance and coming up with no answers, we backed away in silence and moved toward the stairs. When the bushes and van blocked our view, we assumed that by the time we went down the stairs and across the yard to the sidewalk in front of the house, finally being able to see them again, it would prove to be shadows or some recognized

situation—or, or, or. But when we reached the sidewalk, we froze in our tracks—not only were they STILL there, but they looked directly at us.

You could see their eyes focus right on ours! They paused briefly, then the children continued moving about in that restless manner that all kids do. We could see they were partly on the grass next to the street and half onto the sidewalk. It was interesting to note that we were all on the same level now and they were of normal height. The oldest girl—“the babysitter”—busied herself with keeping the little ones placated, and they seemed to mostly ignore us, just as if you happened on the same situation at a mall or something. Again, without looking or speaking to each other, my brother and I began to move toward them. We were now little more than two houses away (eighty feet?), yet nothing changed. The dress was still what it appeared to be when we were up on the porch, and the color of their robes was more vibrant, reminding me of the clothing of Medieval times depicted in movies and picture books.

Then as we got to two houses away, our focus shifted to the tiniest member of the group, on the end directly in front of us on the sidewalk. Sometimes this entity was blocked by one of the children, but now we could see it clearly. This was no child, nor was it in the same dimension (for lack of better description) as either we or the family were in. It seemed to be two dimensional, and its movements were like those of a cartoon character—quick and not necessarily adhering to all the laws of nature. Its appearance was even more unusual. It was a cross between a monkey and an elf and it was black and white, like characters from a classic movie—all various shades of black and white. It had clothes on and could easily have passed for one of those monkeys that accompanied street musicians/beggars with a music box or accordion. In truth, it looked exactly like one of the flying monkeys from “The Wizard of Oz”!

My brother and I had gotten a little less than two houses away when the entity suddenly saw us! Up until that moment, we had assumed it had seen us and paid little or no attention as we moved toward them. It took two “leaps”, and if it had taken one or two big ones, it would have been on us before we could have turned around to run. But the oldest girl made a gesture or motion and a sound (we do not remember hearing anything from the entire encounter, but it did seem that you knew what they were saying—their mouths moved, not like ours, but just opening and closing lips, with shadows of the shapes their mouths were making, but with no audible sounds), like calling your dog to keep him from jumping up and putting his paws on your clean trousers. The entity immediately stopped and returned to her free hand, though it wanted to come back to us.

We were terrified. If anyone had been looking out their window, they would have seen two big, grown “tough guys” holding on to each other for dear life! After a moment, our feet became unstuck from the sidewalk and we inched along; our curiosity and amazement at all this had to be satisfied at all costs. Being the sons of a retired Army Jumpmaster who had three boys follow him in military careers, we had no choice!

Arm-in-arm, we crept cautiously closer. Now we were less than a house and a half away and could clearly make out their faces, the fiber of the rope belts—everything. Then, as if we had not already seen it all and in a scene neither of us would ever forget, something unfolded that defied ANY description. Behind the family appeared a great archway maybe twelve feet high! They stood to one side of it, and we were able to see past them. What we saw made us completely forget about the family and their “flying monkey”. Through the beautiful architecture of this magnificent archway, we could see another place, maybe even another time.

Through the entrance or portal, we saw what seemed to be huge marble columns, elegant stone foundations, polished marble floors and other large doorways and halls. There were people just like those out here in front of us, but without the heavy outer, hooded cloak. They were walking in different directions, in small groups of twos or threes, some with books and others in what seemed like philosophical discussions sitting near one of the beautiful “statues” or structures. It reminded me of what ancient Greece must have looked like, yet there was a feeling of great technology, though you did not see any signs of it, save for the lighting. It was an enclosed place, but “light” was everywhere. The colors were vibrant, but did not seem to be colors exactly like we have in our everyday world. (Years later, I saw a scene that, to me, was somewhat identical to that place. I was shocked when I saw George Lucas’ last “Star Wars” segment, “Episode VI: Revenge of the Sith”, and they showed the Jedi Temple—the halls, the columns, the vastness, the texture was all the same. Even their dress was similar, but what my brother and I witnessed was robes of a light, whitish color, with a matching cord around the gatherings at the waist.)

We paused to take in this new dimension of the incredible, fantastic scene, then we inched closer. As we got to perhaps a half a house (plus a driveway) away, we were halted dead in our tracks once more. Both of us were looking toward the top of the archway as a figure appeared at one side: a giant human being with the same light, whitish robe, but with the heavier, darker robe just off his shoulders—as if he was ready to go looking for the family that was out here with us. This man seemed to be youthful, yet at the same time he seemed to be as old as time itself! (I thought he looked like the standard depiction of a “Moses”, while my brother calls him “Father Time”.) While the people in the background through the arch continued doing what they were doing; and the tall bearded giant, as high or higher than the archway, waited; the girl and the children with their little entity seemed to line up and face us like the actors do in a Broadway show, just before everyone takes a bow. Then—and this too was as fascinating as everything witnessed thus far—THEY SIMPLY WEREN’T THERE ANYMORE.

This must be what is meant by “in the twinkling of an eye.” They did not fade out, vanish, ascend or blink away like in “I Dream of Jeannie”. The scene—EVERYTHING—simply wasn’t there anymore. We let go of each other’s arms and rushed up to the spot in front of the tree trunk where it all happened. The

tree was not even visible to us through most of this. We looked for shadows, branches, even the tree itself, but it was too far away and could only have accounted for a tiny, tiny portion of the scene at the trunk. What we saw had extended out along the grass onto the sidewalk, along the sidewalk and high into air.

After we quietly searched the area and could find nothing—all was still quiet, with no neighbors or cars or any sign of life—we rushed inside our parents’ house. Everyone was in my parents’ bedroom, and as we joined them, they could see on our faces that we had an interesting story to share with them. We waited until that moment to talk about what we had seen, and out it flowed. We were just as amazed to hear each other’s back and forth description as our family was getting to hear it for the first time. To this day, we still have no explanation for what we saw that night, but we do know that it was meant for us to witness the family of ghosts and the place they came from. To me it is proof that all things really do happen in the same place, at the same time, like the Commander has said. Visually seeing and experiencing this with my brother is the strongest “proof” I have of the existence of the unseen world.

I have many other examples that I personally can count as signs, sightings and experiences, but this one, and seeing the craft with my other brother, are the best because they were with my family and I could relate to them more having grown up with them. I have seen incredible displays of various craft and other fantastic phenomena (as well as military tinkering by the adversary) in Tehachapi and other spots, and all of it is exciting to me. They give proof that these things the masses still have no real concept of (except what the elite give them) do exist.

I have taken enough time here and I will now get back to work so that your (and my) lessons from the Lighted HOSTS can continue without further delay. Thank you for your time. Ever in service to God Aton of the One Lighted Source, Jonur to close.

### 3/4/07 from HATONN-jonur

Good morning, Hatonn present in service and Light unto Holy God of The One Source. As we reestablish our routine for the daily writings, I would like to move directly into events and planned happenings geared to the removal of the few Rights you have left as a nation. Though you are not aware of it (except those of you who are long-time readers of this newspaper and the JOURNALS), every major occurrence that plays itself out in your controlled media is specifically designed by the Zionist Khazarian “Jews” to strip away the moral fiber of America. Once, your nation represented what was Goodly in a people who desired their liberties and freedom. Now, you have been transformed into the “Great Satan”, and the world has no one left to look to for *salvation*. You were to be the hope of humanity, precious friends, and you dropped your Heavenly Banner into the mud. If you allow the evil ones incarnate to murder God’s children and devastate the planet, who will weep for you, especially since God gave YOU the power to prevent it? Can you not see that destiny is in your own hands? The Hosts of

your Creator await your actions; you must first give of yourself in that it can be regiven in kind. Your task cannot be done for you.

#### TODAY’S WATCH

#### THE STORM TROOPERS MARCH AGAIN

Your deadly adversary is closing the steel trap around your nation. The Jewish Khazarian medical establishment has gotten your population addicted to all manner of drugs (“legal” and illegal), and your television programming has completely closed you off to real news and the actual state of world affairs. Remember when the world was terrified of goose-stepping black boots marching across Europe? Well, while America was in a drug and media induced stupor, much, much worse marched onto U.S. soil in the dead of night.

When the case was made daily in your “non-news” broadcasts to “fight terror” and to get rid of assault weapons so lone, mind-controlled killers would stop raiding shopping malls, office buildings or schools, the door was left wide open for the truly evil beings to walk in. The forces needed to capture your nation have been steadily reinforced FOR DECADES. While nice, law-abiding citizens were having laws created against them for owning firearms (like their Constitution gave them the Right to do **so they could protect themselves from an invading army**), enemy combatants came pouring into your nation. They immediately took up quarters in dozens of newly created ARMED Federal Agencies.

These new “Feds” operate under United Nations Mandates and do not recognize your U.S. Constitution. In fact, all Americans who consider themselves patriots or followers of the Constitution ARE ON A WATCH LIST AS TROUBLE MAKERS TO THE UN! When the word is given, it will be these true Americans who KNOW their rights who will be the first to look outside their window and see the Blue Helmets in their armored personnel carriers. If the terrorists are so-called Arab Muslims in other countries, why are all the special tactical units in your backyards? Why do you have less freedom than your enemy?

When the storm troopers and the Gestapo took over the populous European cities, they too had well-laid plans to get them into position.

#### EMERGENCY REGULATIONS: THE PERFECT COVER

For America it will be by “Emergency Regulation” that the wardens will be moved and eased into place. Keep in mind that EVERYTHING is done “*by way of deception*”. This is the motto of the Khazarian (Israeli) Mossad, and when they “do war,” the thrust is to secretly manipulate the battlefield—in this case, the good ol’ U.S. of A. They have planned long and hard for the day that the “Jews” defeat the Christians and no stone has been left unturned in their eons-long quest to rule over you. With each new emergency, you are locked more and more into their trap. And as they present various staged incidents to be trumpeted in the media, you-the-people jump right on their bandwagon and demand that *more be done to make*

*your cities and streets “safe”.*

It comes as no surprise when the Jews have nice new legislation already prepared that just happens to address the problem. The laws they have put before your elected officials not only take away your liberty, but remove your right to raise your children the way you want. The Jews have put their own regulations on what you do in the home so they can get a foot in the door and destroy the family unit. Long has this been a major goal of this God-less bunch of inhuman parasitic beings. They introduce drugs, pornography and violence of every type through your TVs, and then they come into your homes and take away your children on a whim. This is how it works, chelas; this is how countries like China lost the sovereign rights of the people. America is walking down that same path, and no one notices.

**ALZHEIMER’S, AIDS, CANCERS:  
JEWISH VACCINES ARE THE CAUSE**

The Influenza vaccines are giving Alzheimer’s Disease to the elderly, immunization vaccines are giving your babies Autism and the HPV (Human Papilloma Virus) vaccine is giving your female population Cervical Cancer. The HIV virus that causes AIDS is being given to the masses in every injectible you can think of, not to mention the fact that it is being spread by the sexual life style your music videos and television soap operas like “Desperate Housewives” are constantly bombarding you with. The Jewish Khazars don’t have to shoot you; the lack of moral behavior Americans display on a daily basis is evidence that you are automatically depopulating your own species!

Jewish virologists have created these and many other deadly viruses so that through Silent Weapons for Quiet Wars, their Israeli Utopia will be realized in these end times just as they planned. And you even paid for the research—talk about adding insult to injury! The problem cannot be dealt with at the federal government level; they will not touch the issue for fear of losing their offices through blackmail and other scare tactics. Besides that, **the depopulation program of Blacks and other minorities IS a GOVERNMENT PROGRAM. The World Health Organization, whose AIDS Center is in Soviet Russia!!!, called for the creation of AIDS within their own agency! This was done in conjunction with the Centers for Disease Control (CDC) and a Treaty with the U.N. specifically for “thinning” the global population of human beings!**

So it will have to be a state-by-state crusade—with power going back to the state governments—with individual Americans joining together if you are going to stop the genociding of your planet. For as these diseases get out of the control of even the elite conspirators and become worldwide PANDEMICS, every man, woman and child could be wiped out. Military-grade diseases like Anthrax can be put atop nuclear thrust system missiles and literally destroy all life on any given continent or the surface of the planet itself. When you see the Israeli Lobby telling your congress to send you off on yet another war and another war—this is the Armageddon that is poised to spit back in your face. However, you are never given ALL the facts, are you?

**CLINTON CLUTCHING AT STRAWS:  
BLAMING OBAMA FOR GEFFEN’S  
STATEMENTS**

The Clintons are trying to blame Barack Obama for the **truthful statements** Hollywood Mogul David Geffen, made about the Clintons’ (both Bill’s and Hillary’s) long history of lying to the public. Her spokesperson said, in a totally ridiculous tirade, that Obama is to blame for the statements because he did not denounce them. First of all, why would he denounce ANYTHING someone else says about Bill and Hillary?!?! Doesn’t Geffen have a right to speak his mind? And who made Obama the Clinton’s “pitch” person? Second, Geffen spoke the truth about their history of lying. He was correct about the Whitewater Law Firm lies involving Hillary, and who would argue about her husband’s emphatic denials during the (later admitted) Monica Lewinski affair? Plus a ton of other outright lies dating back to the Arkansas governorship—some involving murder and the Mena connection to Bush, Sr.’s, drug trade. These are also available for public research, so go look them up! Get informed about the Clintons yourself.

Clinton’s “campaign” is non-existent to the people who REALLY DO want to take back their government from the evil perverts who have all but ruined the United States of America. Barack Obama is so far out front that the people behind her are reaching wildly for anything to hold onto to stay in the election. Already the other thousand-and-one presidential candidates look like nothing more than cardboard cutouts at best—lying, hypocritical degenerates who are willing prostitutes to the Israeli Khazars, at worst. Either way, you end up in serious trouble if ANY of them is put into a position of power. Only Obama can lead your nation out of this poisonous, suicidal evil that has a hold of you.

He cannot do it without the voice and backing of the people. Make your vote count for something! This is the most critical time since the founding of your nation. The American government is set to fall to the British Israel Organization. They have infested your Constitutional Republic with the most vile, Luciferian vipers known in your nation’s history. The grass roots “movement”, if you will, can stage a bloodless coup and take back your government and put it back into the hands of the people. Get behind Obama and see to it that he gets into the White House. Get his strong right arm in there with him in the person of General Colin Powell. He IS a Vice President who can back up Obama where he needs it most! Both represent an America the world is willing to listen to, for the two of them represent the nation you are striving to become.

The concept of justice, equality and liberty is not something only you have been struggling with as a free country; the other nations are killing themselves through civil wars (caused by the same British Intelligence/Mossad terror tactics), and it will be through your example that they will find peace. All eyes are on the build-up to getting Obama in office and turning your government around. You must get rid of the evil trash that makes up your elected bodies; **they have done nothing but harm to your people and your economy—THEY MUST BE REMOVED**

**FROM POWER.** Can you not see what they have done with the responsibility you gave them? Greenspan only has to MENTION “RECESSION” and your stock market crashes! Again I repeat, **you are in the worst DEPRESSION your nation has ever seen!**

**PATRIOTS RALLY AROUND  
JAY ROCKEFELLER**

The CIA, FBI and other Intelligence Agencies who know what is going on with the deliberate sacrificing of the U.S. and the planned Nuclear War are siding with Jay Rockefeller and the Christian Russians of Soyuz and Pamyat. This entire grouping of former elitists has been given a “second chance” (along with Powell) to make things right with their nation AND WITH GOD.

The Rockefeller patriots are against the Bush Cartel’s blatant Zionist affiliation and do not stand with the Bolshevik Khazarian Jews and their genocidal war against mankind. These patriots are the agents on the front line who will be the first to die when the Jews move forward with their plan. This new generation “Rockefeller” wants to be part of the goodly team, and like Powell he needs you, America, to help him right the wrongs of his former controllers. When a man is given the opportunity to salvage his own soul—and he takes it—there you will see a man who will give his life to turn things around.

I repeat: **GOD NEEDS NO MORE DEAD MARTYRS!** He needs living, breathing people LIVING for Truth and Change back unto the Light. The secret agents and intelligence analysts who sit and watch their comrades being systematically killed or removed from power know exactly who is doing the maneuvering. They see who the Zionists are (Jews and non-Jews alike) and realize that this group indeed does represent the Anti-Christ/Anti-God element in these final days. These secret servants who joined the ranks because they love their country and hate “communism” (“Khazarianism”) are your best fighters because they bring with them information that will clean out your government of the vile crooks and treasury embezzlers. **THE ROCKEFELLER OPERATIVES ALIGNED WITH “JAY”, AND THE WHITE (MEANING CZARIST CHRISTIAN) RUSSIANS, HAVE THE DOCUMENTS THAT DETAIL ALL THE CRIMINAL ACTIVITIES AND ASSOCIATIONS OF PAST AND PRESENT GOVERNMENT OFFICIALS.**

**UTILIZE “THE LIST” TO CLEAN HOUSE AND REESTABLISH THE CONSTITUTIONAL REPUBLIC GOD GAVE YOU! YOU HAVE MANY ALLIES YOU ARE NOT AWARE OF, AND THEY ARE WAITING FOR THE AMERICAN CITIZEN TO TAKE A STAND FOR GOD AND NATION.** Then they will rally to your defense with everything and anything you need to reclaim God’s chosen land. For you see, America—*The Great Experiment*—applies not just to that small section of North America between Canada and Mexico, BUT THE ENTIRETY OF A SPECIES OF MAN looking to make his transition into living in Peace and Harmony as The Creator intended. The souled beings, amongst the walking dead and the puppet masters for Satan, have no wish to give up this planet to “the

devil". God's people are here on a mission to join The Hosts in preparation for The Coming of The Master Teacher, who is waiting for The Father to signal "The" Son's arrival.

Sananda is aboard the Phoenix (formerly the Bethlehem), and you can see the Golden Radiance "star" from which The Christ will come. It is most prominent in your evening sky, **along with other, highly visible craft.** Keep your vision focused to the Heavens, for this is where you will get your "signs". "Jesus" is coming from space, precious ones, and The Hosts of Heaven (SPACE) will come before Him. And we are here.

Gyeorgos Hatonn, Commander in Chief, Earth Project Transition, Pleiades Sector Flight Command, Intergalactic Federation Fleet—Ashtar Command; Earth Representative to the Cosmic Council and Intergalactic Federation Council on Earth Transition.

Thank you for your service this day, Jonur. Hatonn to clear frequency, please. Salu and Amen. Out.

## WHAT IS GOING ON IN THE PHILIPPINES?

### No More Coup Plots Analysis

By Alejandro Lichauco

—from *The Daily Tribune*, 05/31/2007

GMA (Gloria Macapagal Arroyo) should have every reason to celebrate the opposition's decisive victory in the senatorial race because that, in this writer's view, virtually wipes out every reason for a military takeover. Before the election results started to pour in, there was widespread expectation that the opposition wouldn't be any match for the administration's arsenal of gold, goons and guns. Hence, talks of a coup were as widespread as the expectation that the senatorial bets of the opposition would be cheated down to their last pair of socks. But that wasn't what happened. Obviously, the administration's arsenal of gold, goons and guns wasn't any match for the overflow of popular rage and the most dramatic evidence of that, as well as the most symbolic, was the outcome of the senatorial race. Not to be underrated, of course, were the symbolic and no less dramatic results of a number of local elections, such as the gubernatorial race in Pampanga (won by a Catholic priest), the mayoralty race in Manila (won by a law & order guy), Makati and Pasay and the political knockout delivered to GMA-backed world boxing champ Manny Pacquiao.

But that said, it must also be said the spectacular performance of the opposition knocks out the main reason for whatever coup had been in the making. For whatever coup had been in the making was premised principally, insofar as this writer can make out, on the assumption that the elections would be the latest and ultimate proof of the fraud, deceit and dishonesty of this administration as well as of its illegitimacy.

But since things didn't turn out that way, for the coup plotters to mount their coup now could draw on them

the rage of the nation, particularly of the opposition senators-elect.

If this perception is correct, then the administration should have every reason to thank the opposition for having opted to participate in the elections, instead of boycott it as many had suggested and, more important, to have won.

GMA has every reason to view the opposition's dramatic triumph in the senatorial race as the proverbial blessing in disguise. The question, then, is what next?

Actually, it is now the opposition senators who would be under test. What do they say and do now? What alternative program of government would they, in their collective capacity as opposition, present? Theirs is a priceless opportunity to show that the opposition is deserving of being called upon to function as the next government and that their acknowledged leader, whosoever he or she might turn out to be, deserves to be the next head of state.

But that's for the future. At this point, one can only speculate and hope that the incoming Senate would serve as the nation's hope for the future; that the opposition senators would finally provide the proverbial light at the end of the tunnel which would illuminate the correct path toward the resolution of the problems that have plagued the nation since it came to independence more than 50 years ago: mass poverty, extensive unemployment, homelessness, underdevelopment and economic backwardness, extreme imbalance in wealth distribution and economic opportunities, corruption, insurgency and, of course, secessionism.

If the new Senate can't do that, and do it soon enough, then expect coup plots to resume, and they would as night follows day.

If there's one lesson that the contemporary history of Third World states so clearly conveys, it is that, if civilian governments elected by what passes for democratic process can't resolve the problem of poverty and underdevelopment, authoritarian

governments under the leadership of the military become just a matter of time.

That explains the popularity of a military figure such as Hugo Chavez of Venezuela, the staying power displayed by the military governments of Park Chung-hee of South Korea, Suharto of Indonesia, Chiang Kai-shek of Taiwan, Franco of Spain, Nasser of Egypt and the military-backed authoritarian governments of China and South Vietnam.

The Filipino might be a slow learner politically, but eventually he will learn.

\*\*\*

#### ADDITIONAL COMMENTS BY E J EKKER:

It appears to me that Mr. Lichauco is quite correct, which means to us, all of us, that we can anticipate very little real political progress during the months of June and July. The congress reconvenes July 30 by which time it should be fairly clear whether there is an impeachment coming or whether GMA will be able to buy, as she has done twice before, enough Representatives to kill it. For us, that is step one and if she is not impeached there could be a revolution of some kind. Since there is a 50/50 chance FOR impeachment, we have to anticipate her options to avoid jail for herself, many of her cabinet, and several military and police generals. She could try "Martial Law", which would end up in revolution. She and her generals could do a "military coup" and install themselves as rulers and that could work, at least for awhile if they took better care of the rank and file soldiers and policemen. Or, and this is the most likely, she could "save the country" by bargaining for immunity in exchange for stepping down. That would leave the Senate President as President (her current VP would have to go with her) and that is probably acceptable to the people. It might, and should, not be acceptable to Estrada who is on his 7<sup>th</sup> year of incarceration and he still has a lot to say about it. He put together and held together the coalition that won this election of Senators, so it is impossible to forecast at this time.

## THE NEWS DESK

### We Just Marched In (So We Can Just March Out)

By Ron Paul

before the U.S. House of Representatives,

April 17, 2007

—from [Prisonplanet.com](http://Prisonplanet.com)

All the reasons given to justify a preemptive strike against Iraq were wrong. Congress and the American people were misled.

Support for the war came from various special interests that had agitated for an invasion of Iraq since

1998. The Iraq Liberation Act, passed by Congress and signed into law by President Clinton, stated that getting rid of Saddam Hussein was official U.S. policy. This policy was carried out in 2003.

Congress failed miserably in meeting its crucial obligations as the branch of government charged with deciding whether to declare war. It wrongly and unconstitutionally transferred this power to the president, and the president did not hesitate to use it.

Although it is clear there was no cause for war, we just marched in. Our leaders deceived themselves and the public with assurances that the war was righteous and would be over quickly. Their justifications were false, and they failed to grasp even basic facts about

the chaotic political and religious history of the region.

Congress bears the greater blame for this fiasco. It reneged on its responsibility to declare or not declare war. It transferred this decision-making power to the executive branch, and gave open sanction to anything the president did. In fact the founders diligently tried to prevent the executive from possessing this power, granting it to Congress alone in Article 1 Section 8 of the Constitution.

Today just about everyone acknowledges the war has gone badly, and 70% of the American people want it to end. Our national defense is weakened, the financial costs continue to drain us, our allies have deserted us, and our enemies are multiplying—not to mention the tragic toll of death and injury suffered by American forces.

Iraq is a mess, and we urgently need a new direction—but our leaders offer only hand-wringing and platitudes. They have no clear-cut ideas to end the suffering and war. Even the most ardent war hawks cannot begin to define victory in Iraq.

As an Air Force officer serving from 1963-1968, I heard the same agonizing pleas from the American people. These pleas were met with the same excuses about why we could not change a deeply flawed policy and rethink the war in Vietnam. That bloody conflict, also undeclared and unconstitutional, seems to have taught us little despite the horrific costs.

Once again, though everyone now accepts that the original justifications for invading Iraq were not legitimate, we are given excuses for not leaving. We flaunt our power by building permanent military bases and an enormous billion-dollar embassy, yet claim we have no plans to stay in Iraq permanently. Assurances that our presence in Iraq has nothing to do with oil are not believed in the Middle East.

The argument for staying—to prevent civil war and bring stability to the region—logically falls on deaf ears.

If the justifications for war were wrong;

If the war is going badly;

If we can't afford the costs, both human and economic;

If civil war and chaos have resulted from our occupation;

If the reasons for staying are no more credible than the reasons for going;

THEN...

Why the dilemma? The American people have spoken, and continue to speak out, against this war. So why not end it? How do we end it? Why not exactly the way we went in? We just marched in, and we can just march out.

More good things may come of it than anyone can imagine. Consider our relationship with Vietnam, now our friendly trading partner. Certainly we are doing better with her than when we tried to impose our will by force. It is time to march out of Iraq and march home.

## **The Coming Starvation In America**

—October 3, 2005

The government of the United States, by Law, was to always maintain a three year mixed- grain survival storage for every man, woman, and child in the United States.

Like most Laws of the land, the politicians never took heed as to why our wise ancestors had this reserve requirement established. It was to make sure that, in the time of a National Emergency, the people had the most important mainstay needed for survival individually and as a Nation.

Remember, the people make the Nation—the Nation does not make the people.

In the 1960's and 1970's the different political administrations of Washington, D.C., walked away from sanity and started to give the surplus grains which were in elevator storage all over the country to other nations such as the Soviet Union, India, etc.. This continued over two decades until the elevators were empty and the reserve of grains that were in reserve as per a national crisis....were gone. Of course, this was done to enhance international "friendship" with other nations, even if those other nations were self-admitted enemies of the United States.

Remember, there was enough grain in storage, paid for by the American tax-payer, to last the masses inside the United States for three full years if need be. But now it all is but gone!

By 1996, the United States Department of Agriculture (U.S.D.A.) claimed that there was enough food in warehouse storage to last every man, woman and child in the cities a 3 day supply and a 5 day supply for every man, woman, and child in the countryside, should a great national emergency occur. In other words, if food trucks stopped running, the food supplies for the masses would be 3 days in the cities and 5 days in the countryside.

In 2003, the U.S.D.A. stopped measuring for "days in reserve" of food for every man, woman, and child in the United States because the amount of food in storage in the United States dropped under a 1 day food supply for every man, woman, and child in the United States. Thus, the U.S.D.A. started to measure in individual pounds as to how much food was in the food-chain per person in the United States as per 300 million people.

In 2003, there was 77 pounds of food per person in the warehouse food-chain in the United States. What this means, is that during a national emergency, only 77 pounds of food per person is available before all food is TOTALLY GONE in the United States.

By September of 2005, there is now only 15.7 pounds of reserved foodstuffs in the food-chain for every man, woman, and child in the United States. This means that there has been an 80% decrease in the past two years. That decrease is becoming greater with every passing day in the United States. Of the 15.7 pounds of warehoused reserved food-stuffs, 11.0 pounds of the 15.7 pounds consists of unprocessed wheat. The rest of the 15.7 pounds of survival foods in storage for every man, woman, and child, totaling 4.7 pounds,

consists of the following foods:

1. Non-fat dry milk
2. Cheese
3. Corn by the bushel
4. Peanuts by the pound
5. Lentils by the pound

That's it folks! ... This is what the District of Columbia has set aside representing the 15.7 pounds in the survival food-chain for every man, woman, and child to stay alive on. This is not a daily supply, this amount represents the total food everyone will get for ... how long, who knows!

The U.S.D.A. Crop Production Report per September 12, 2005, contained said information, and this information was brought forth by Alan Guebert of the Farm & Food Report.

Collective communist farming failed in the Soviet Union and communist China, and the present form of Collective Farming (paying the farmers not to grow food) has totally failed in the United States.

Mr. Guebert also stated that one more disaster of the likes of the hurricanes Katrina or Rita against the United States, or anything to compare to such in whatever way, would create such a food panic, it would make the New Orleans rioting look like the Mardi Gras.

The United States Government for the past 75 years has been driving the United States deeper and deeper into the realm of communism. The United States is financially broke, the farms are broken down, the Nation has been de-industrialized, and the outsourcing of jobs continues to this day. Both corrupt federal administrations, the Democrat and Republican, eat off the same plate. They have labeled that plate; "Screw the taxpayer, each and every one of them."

Our European ancestors were very wise, honest and full of common sense. They had food cellars where they had food canned that could last them well over a year, insuring them that they would be able to plant a crop the following summer and still be able to survive waiting for crops to mature and harvest. They did not rely on the corrupt politicians who are liars and thieves.

But as I said, time passed by and the people put a false trust in their elected and appointed public servants, thinking that these same people were looking out for their personal interests. How sadly wrong the people were then, and still are.

In conclusion, I highly suggest that you pull your head out of the sand, check your food supplies, and if you do not have 6 months to a years food in reserve, then you had best sell something or do whatever you have to do, to immediately prepare yourself and your loved ones for safety. If you can store two years at this time: **DO IT AS SOON AS POSSIBLE!**

Remember, the 15.7 pounds of food in reserve is becoming less by the day, and at the present rate of speed, the United States is heading to what is called ... meal to meal. One more major disaster will drive the United States to its knees.

The federal government, for itself, has millions of tons of preserved foods stashed away in underground storages, but this food is not for the masses, unless they surrender their firearms, and then they will get a food coupon from the \*feds\* to buy out of the federal government food warehouse wherever it is set up in
